2010 Gulf Oil Spill

NVOAD Sitrep 6/16/10

The Alaska VOAD has taken the initiative to hold two conference calls to share the lessons they learned from the Exxon Valdez oil spill in Alaska. The Alaska VOAD Chair and Vice–Chair have moderated these conversations which have included topics surrounding the long–term implications of an oil spill and the emotional impact on the community. The in–depth question–and–answer period allowed listeners from the Gulf Coast region to ask more specific questions of the panelists and, hopefully, prepare themselves for some of what they may face in the coming months.

AKVOAD Establishes Spring Flood Donations Management System

Anchorage, Alaska – Alaska Volunteer Organizations Active in Disaster (AKVOAD) established donation collection points in Anchorage and Eagle River. People who want to help victims of the recent flooding are asked to call one of their local Adventist Community Services (ACS) donation points and ask what items have been requested by the communities.

“Alaskans can be very generous when other Alaskans are in need. We have established a system that will ensure that when an item is donated it is delivered to someone that needs that item,” said Richard Whetsell, chairperson for AKVOAD. “One challenge of donations management is to avoid providing unneeded assistance to one community while another community goes without.”

Cash donations are the most effective way to directly help those in need. Cash donations can be made at any Alaska USA Federal Credit Union. Make donations to Donations Account 2009 Spring Flooding, Account #118722. The money will be used by the Alaska Long Term Recovery Committee, which is a cooperative effort between volunteer organizations to address unmet disaster recovery needs.

To make material donations in Anchorage contact the local Adventist Community Services collection points at:

Montgomery Area Voluntary Organizations Active in Disaster
What is a VOAD – and Why?

When disaster comes, what if:

We had a plan? We knew what others were doing? We were networked and organized to respond?

On June 20th, 58 citizens representing 18 voluntary and community organizations met to form the Montgomery Area Voluntary Organizations Active in Disaster, or Montgomery Area VOAD.

A VOAD is a network that brings together all organizations (voluntary, faith–based, churches, non–profit, governmental, civic, medical community, and others) that take a role in meeting the needs of people impacted by a disaster. Our consortium of voluntary and community organizations is committed to providing effective, efficient and compassionate service to those imperiled or impacted by disaster.

The National VOAD has proven that VOADs foster cooperation, coordination, communication, and collaboration between all associated organizations responding to disaster.

We started a local VOAD because it will be community based and community sensitive, able to mobilize quickly and on the scene even before disaster declaration.

All disasters are local and local voluntary/faith based organizations are the First to Arrive and Last to Leave in providing vital services to people in need – and they are committed to stay until recovery is complete.

Montgomery area churches, faith–based groups, agencies and organizations that respond in time of individual need are encouraged to join the VOAD. Open the attached file for a membership application and survey form.

Montgomery Area VOAD is a community team that is committed to make a positive difference in the lives of survivors and evacuees.

The Montgomery Area has been a traditional destination for hurricane evacuees. Until Hurricane Katrina came we would open up shelters for three or four days and then our visitors would go back home and life would return to normal for us. Of course, we had a few interruptions when Hurricanes Opal and Ivan came, but hosting a few hundred evacuees was the typical way of hurricanes for Montgomery.

Hurricane Katrina broke the mold. More than 4,000 evacuees came to the Montgomery area and stayed for a very long time – many are still with us and some have even made Montgomery their new home. As we look ahead to this year's expected storm season we know we must prepare to receive evacuees again, likely in large numbers again. We will have shelters, hotels and motels. The VOAD is bringing together the givers and helpers to create a mosaic of response. Networked and communicating together we will work together to give an even better welcome to our visitors this year.

Who Are We?

With a grant from the McCormick Tribune Foundation, we were able to begin organizing in April. Leaders from Family Guidance Center, American Red Cross, Salvation Army, Frazer Church, EMA, DHR, Volunteer & Information Center, and United Way developed a vision, a strategy, and a plan. Our structure and operations are based on the National VOAD model. The first general meeting of the VOAD was on June 20th. Below are the organizations which have applied to join the VOAD, thus far. Numerous others are processing the applications with their various boards. Voting members are non–profit organizations; government and business partners are non–voting members.

Australia: Qld Floods – Red Cross Evacuation, Recovery and Door–to–Door Support Across Brisbane and 17 Towns
Source: Australian Red Cross
Date: 14 Jan 2011

Red Cross is managing evacuation centres, assisting in recovery centres and beginning door–to–door support in Brisbane and 17 towns across central and south east Queensland as the floods crisis enters its third week.

Some 2,800 people stayed overnight at evacuation centres in Brisbane (1,000 at the RNA Showgrounds and 335 at the QE2 Sports Centre) and Ipswich (1,037 at eight evacuation centres). There were about 400 people at evacuation centres in:

– Toowoomba
– Gatton
– Moreton Bay
– Emerald
– Miles
– Dalby
– Theodore
– Rockhampton and
– Warwick

We are assisting with recovery services in:

– Theodore
– Emerald
– Rockhampton
– Bundaberg
– Chinchilla and
– St George.

We have begun door–to–door personal support in:

– Bundaberg
– Mundubbera
– Tara
– Toowoomba
– Dalby
– Gayndeh
– Monto
– Chinchilla
– Rockhampton
– Emerald

We are working closely with government and a number of partner agencies and organisations, including:

– Lifeline
– Salvation Army
– local councils
– Queensland Police
– Queensland Health
– Centrelink
– Queensland Rail
– State Emergency Services
– Department of Communities
– Victoria Police and
– Victorian Public Service.

The Red Cross emergency operation is headquartered at its office in Fortitude Valley, Brisbane, supported by its network across Australia.

Red Cross has established a 24–hour national call centre, the National Registration and Inquiry System (NRIS), at its Melbourne office, with back–up call centres in Western Australia, South Australia and the ACT. The Melbourne centre is being staffed by shifts of more than 60 volunteers. Victoria Police and the Victorian Public Service are providing support staff. People affected by the floods are being urged to register their details, including their whereabouts, online at www.redcross.org.au or by phoning 1800 727 077. To check if a loved one is safe, click on "Search" at www.redcross.org.au or call 1800 727 077 (if calling from within Australia) or +61 3 9328 3991 (if calling from outside Australia).

"Red Cross is a major national organisation with more than 2,000 staff and 55,000 members and volunteers," said Red Cross Queensland Executive Director Greg Goebel.

"It's all hands on deck. The scale, intensity and duration of this emergency is fully testing us but our volunteers and staff across Australia are rising to the challenge.

"A long recovery operation lies ahead of us. Queenslanders need our support like never before. We will not let them down."

Australia: Queensland floods emergency as of 12 January 2011 7.00AM AEST
Source: Australian Red Cross
January 12, 2011

What has happened?

The situation with the Queensland floods has worsened significantly. Red Cross and other agencies are in full response mode. Evacuation centres are being managed and supported by Red Cross across affected areas.

* Flood levels in the Brisbane River are anticipated to continue to rise into Thursday and are expected to be higher than the 1974 peak. River levels at Ipswich will peak some time during Wednesday at levels predicted to be higher than the 1974 floods.
* An evacuation centre is set up at the RNA Showgrounds in Bowen Hills, which can accommodate 3,000 people.
* Lockyer Valley – Red Cross is unable to access the area at this stage but we have personnel on standby.
* The National Registration and Inquiry System (NRIS) is open. Register your details or find out about family and loved ones online, or call 1800 727 077 within Australia. If you are calling from outside Australia, please call +61 3 9328 3991.
* More than $32m has been donated to the Premier's Disaster Relief Appeal as of 11 January 2011.
* The Queensland Premier has announced the appointment of a committee to determine allocation and oversee the distribution of the funds raised. The committee comprises State, Federal and local government representatives as well as two Red Cross Board members.

What is Red Cross doing?

Red Cross:

* has had staff and trained volunteers on the ground since the first evacuation centre opened on 27 December 2010.
* as a result of the latest significant developments, New Zealand Red Cross is sending emergency personnel to support the Australian Red Cross response in Queensland.
* is assisting Department of Communities with targeted outreach.
* is running evacuation centres across southern and central Queensland including Emerald, Dalby, Theodore/Moura, Rockhampton and St George.
* is conducting outreach services in many areas including Bundaberg, Condamine, Chinchilla, Dalby, Gayndah, Gin Gin, Monto and Mundubbera.
* is providing an information centre presence in Dalby and St George.
* has two representatives on the Premier–appointed committee which will determine criteria for the allocation and distribution of appeal funds to people who are most in need.
* is providing existing Telecross clients in flood–affected areas including Brisbane, Toowoomba, Dalby, Chinchilla, Ipswich, Lockyer Valley, Rockhampton, Emerald, Maryborough, Stanthorpe and Warwick with an extra daily call to provide reassurance

and check on their wellbeing. To register for this extra service, please call 1300 885 698 from within Queensland.
* is distributing practical resources, including Cleaning Up after Flooding, a booklet that contains useful tips to help households start the clean up, both emotionally and practically, as part of the recovery process already underway in Bundaberg, Dalby, Warwick, Chinchilla and Emerald.
* is on standby to provide additional support where necessary.

How will Red Cross help communities recover?

Red Cross is working in coordination with emergency response agencies to assist people through the recovery process at recovery centres and is coordinating with the Department of Communities to provide community outreach.

Are any other areas likely to be affected?

Other communities across the southern region of Queensland are on alert. Red Cross is planning to provide response and recovery support to these areas as required.

Is there an appeal?

On 29 December 2010, the Queensland Premier opened the Premier's Disaster Relief Appeal to support people affected by these floods.

Donations to the Premier's Disaster Relief Appeal can be made by visiting the Queensland Government website. Red Cross has not launched an appeal for flood–affected Queenslanders because the Premier of Queensland has already launched the Premier,Äôs Disaster Relief Appeal for the same purpose.

How do I donate to the Premier's Disaster Relief Appeal?

* You can visit the Queensland Government website to make a secure online donation
* We have been advised that phone lines are currently inundated. At this time, please make your donation online or:
* Donate in person at Commonwealth Bank, NAB, Westpac, ANZ, BOQ, Suncorp, St.George Bank, Bank SA (Bank of South Australia), Australian Central Credit Union, Savings & Loans Credit Union, Bank West, Australian Central Credit Union, Coles supermarkets.
* Send a cheque to: The Premier's Disaster Relief Appeal, c/o Department of the Premier and Cabinet, PO Box 15185, City East QLD 4002 (Please do not send cash.)
* Donate through internet banking. Account name: Premier's Disaster Relief Appeal, BSB: 064 013, Account number: 1000 6800

Once your transaction is complete, you should record the receipt number for your transaction. If you do not receive a receipt number, contact your financial institution. If you would like a receipt for tax purposes, please forward a request, with proof of donation to: Premier's Disaster Relief Appeal, c/o Department of the Premier and Cabinet, PO Box 15185, City East QLD 4002.

How do I apply for funds from the Premier's Appeal?

The Premier of Queensland has announced a committee, including two Red Cross representatives, to determine criteria for the allocation and distribution of appeal funds. The committee is expected to meet within the week, and Red Cross will provide an update as soon as details are available.

Can I volunteer?

Australian Red Cross is not calling for new volunteers at this time. Trained and experienced volunteers have been mobilised and are currently assisting in the Red Cross response. If the situation changes and we identify additional volunteering needs we will make a public call.

The best way the public can help at the moment is by donating money or raising funds for the Premier's Disaster Relief Appeal.

Australian Red Cross recruits and trains volunteers for emergency situations just like this one. If you want to get involved in future Red Cross emergency responses, please visit the Become a volunteer page and complete the online registration form. Detailed on the page are current volunteer opportunities in your state, along with an explanation about the recruitment process and the Red Cross involvement policy. Thank you for your interest in Australian Red Cross.

Can I donate goods?

No, Australian Red Cross is not accepting donations of clothing, food or other goods at this time. Our experience with emergency recovery has shown that affected communities recover sooner when they can make their own choices. This includes choosing and purchasing goods to help put their lives back together again rather than being given goods. Another benefit of this is that money is being put back into the community to stimulate local businesses. This is an important part of the local economic recovery.

If we identify a specific need for donated items we will make a public call. Some members of the public are asking if there is anything they can do with their goods to help.

Some people are holding garage sales and donating the money to the Premier's Disaster Relief Appeal.

How can I find out about family and friends?

People affected by the floods are encouraged to register their name and whereabouts using the National Registration and Inquiry System. Concerned friends and relatives can then search for details. You can also register your details or find out about family

and loved ones by calling call 1800 727 077 within Australia. If you are calling from outside Australia, please call +61 393 283 991.

Red Cross flies in volunteers from across Australia and New Zealand
Source: Australian Red Cross
Date: 11 Jan 2011

Red Cross is flying in trained staff and volunteers from across Australia and New Zealand in response to the latest floods emergency in the Lockyer Valley area in southeast Queensland and Brisbane.

Red Cross emergency response teams are being sent to emergency zones across the region after freak flash flooding hit the Lockyer Valley and Toowoomba regions overnight.

We are also preparing for expected evacuations in Brisbane.

Red Cross is working closely with a number of partner agencies and organisations to recruit additional emergency workers and support staff.

We are also managing existing evacuation centres in Rockhampton, Emerald, Dalby, Moura, Theodore and St George. More than 4,000 people have stayed at these evacuation centres since December 27.

"Queenslanders need our support like never before," Red Cross Queensland Executive Director Greg Goebel said.

"Red Cross is flying in from across Australia and New Zealand additional trained staff and volunteers. Our volunteers and staff are trained and experienced in disaster and emergency response but we are being fully tested. The scale, intensity and duration of this disaster is unprecedented.

"We are also working closely with a number of partner organisations to recruit additional emergency workers and support staff."

People affected by the floods are being urged to register their details, including their whereabouts, online at the Red Cross and Queensland Police National Registration Inquiry System (NRIS) at www.redcross.org.au

"Red Cross is making sure anyone forced to leave their home will have a safe, dry place to stay. Lifeline counsellors are on hand at our evacuation centres." Mr Goebel said.

OPERATION USA RESPONDS TO
SOUTHERN CALIFORNIA FIRES

Operation USA's initial and immediate response to the California wildfires included donations of 10,000 N–95 Masks (disposable particulate respirators) to the Los Angeles Sheriff's Department and 10,000 N–95 Masks, 960 pairs of heavy leather work gloves and 1000 pairs of safety goggles to be distributed to migrant farm workers throughout the heavily affected San Diego county. Operation USA is continuing to assess additional needs in rural areas where the basic infrastructure of electricity, water and farmland has been heavily damaged and where recovery will take a substantial amount of time. We work through local nonprofit organizations in the affected counties.

Your contributions are still needed. Donations can be made by credit card by calling (800) 678–7255 or by going online at www.opusa.org and specifying that your donation is for the victims of the California wildfires.

If companies would like to donate bulk quantities of appropriate relief supplies, contact Neil Frame at 800–678–7255 or by e–mail at nframe@opusa.org.

For the past 27 years we?ve prided ourselves in strictly adhering to several operating principles which, taken together and despite our small size, have gained Operation USA international recognition as one of the world?s most cutting edge relief and development organizations.

Foremost among these principles and despite our organizational name, Operation USA accepts no US Government funding of any kind. We have avoided becoming a US Government contractor unlike many of the major international relief agencies whose growth is largely dependent on such funding. Underpinning this is our belief that ?Private Means Private?, and so we rely instead on the generosity of the American people and on their private institutions to support our work.

Domestic & International Emergency Relief

Operation USA has experienced that, instantaneously, a family, community and entire nation can be devastated and be faced with unprecedented challenges. To mitigate the immediate effects of such tragedies, Operation USA rapidly and expertly provides on–the–ground aid by sending vital life–saving supplies and cash grants to assist communities in rebuilding. Partnering with grassroots organizations, Operation USA specializes in reaching vulnerable populations who are in the greatest need, yet who are often ignored by governments and larger aid organizations.

Rapid Relief – When an emergency strikes, Operation USA is often one of the first professional responders, on the ground with medical supplies, water, purification equipment, shelter materials and trauma teams.

Recovery & Rebuilding – As the emergency phase slowly lessens, Operation USA makes grants to local organizations to help them build their capacity to meet their communities' basic needs.

Long–Term Development – Years after a disaster has abated, communities are still frequently in need of assistance. Responding to a continuing need, Operation USA makes grants to partner organizations for sustainable community–based projects.

When an emergency strikes, Operation USA is often one of the first professional responders, on the ground with medical supplies, water, purification equipment, shelter materials and trauma teams.

Operation USA?s main shipping center is a 25,000 square foot warehouse donated by the Port of Los Angeles, with an auxiliary warehouse in the Port of San Francisco. During a disaster, these warehouses function as the receiving centers, making it easier and faster for shipments to be approved before heading out. During non–emergency times, the warehouse remains stocked with supplies Operation USA donates to California?s 200 community clinics.

Wildfire in Acton, Palmdale forces thousands to evacuate; Red Cross opens shelters

(Updated July 29, 10:00 pm) There are two fires burning in the Acton and Agua Dulce area of Los Angeles County. The Briggs Incident and Crown Incident broke out in the Acton area this afternoon.

The Crown fire has burned approximately 500 acres, with 0% containment, and is burning towards portions of Leona Valley.

The Briggs fire has burned approximately 450 acres, with 0% containment. Strike teams, air tankers, and 400 personnel have responded to the fires

The fire forced the evacuation of Leona Valley, an unincorporated town of 2,200 people west of Palmdale.

Anne Ambrose, City of Palmdale says that they are evacuating 4,000 people in Palmdale — not including Leona Valley and Quartz Hill.

Animal Care and Control has deployed animal emergency response teams to the scene to assist with animal evacuations, if needed.

In Response the Red Cross Los Angeles Region has opened up three shelters for those needing shelter tonight at the following locations:

Acton Community Center, 3748 Nichels Street, Acton, CA 93510

Agua Dulce Elementary School, 11311 W. Frascati, Santa Clarita, CA 91390 (near Agua Dulce)

Marie Kerr Recreation Center, 2730 West Rancho Vista Blvd, Palmdale, CA 93551

The Los Angeles Chapter of the Red Cross discontinued their services and participation in the San Fernando Valley Long Term Recovery Group (serving Sesnon/Marek/Sayre Wildfire Survivors) on 4/24/09

The American Red Cross provides emergency food, clothing, shelter, and medical assistance to individuals and families affected by a disaster.

The “SAFE andWELL” List provides a way to register online as “safe and well.” From a list of standard messages, you can select those that you want to communicate to your family members, letting them know of your well–being.

Volunteers for Seniors – B.J. Valencia, Case Manager, Phone # 818–847–3846.
Address for both: 6801 Coldwater Canyon Ave., Suite 1A, No Hollywood, CA 91605

Carolyn Young, LCSW does the initial intake before assigning a counselor and B.J. Valencia, Case Mgr. does the initial home visit assessment before a service is provided, ie. ride is needed, errands needed, grocery shopping, visitation, counseling, etc.

They are in the process of setting up clinic dates at St. Didacus Church for the Sylmar community as well as Long Term Recovery services for Wildfire Survivors in need of this program.

Description of the program:

The Parish Nurse or Faith Community Nurse, Mary Munchi, provides ongoing health screenings to members of the community such as blood pressure, glucose, cholesterol, referrals and personal health counseling at the church.

Services Provided:

> Being depressed, sad or anxious
> Facing difficulties with getting older
> Grieving the loss of a loved one, or loss of their home
> Increased difficulty managing at home
> Adjusting to chronic health conditions
> Coping with family conflict
> Loneliness

Understanding that at this time, this is probably not an immediate
need for these families, we would like to address the senior population affected by the Mayre/Sayre fires. We are offering access to our Senior Peer Counseling Program as a Long–Term Recovery service. Our Senior Peer Counselors are volunteers who have been extensively trained and are supervised by a mental health professional. They provide one–on–one counseling designed to support and assist seniors in the community who may be facing challenging or difficult circumstances in their lives...such as the fire.

Volunteers for Seniors provide valuable services for frail, home–bound seniors who have no other resources. Volunteers for seniors provide access to medical care and help to maintain independence in the home, which enhances and maintains the quality of life for seniors. Services include: transportation to medical appointments, shopping for groceries, light housekeeping, cooking a meal and friendly visiting.

Services offered: Case Management, LTRC, Long Term Recovery Committee; Case Management, * (Providers of ANY Type of Case Management); Case Management, Seniors/Elders; Case Management, Wildfire Survivors; Community Outreach Programs;

2012 HURRICANE SANDY –
We're Nourishing Hurricane Sandy Victims...With Your Help.

FACEBOOK –
http://www.facebook.com/nourishamerica

Nourish America is committed to provide the daily essential nutrition that impoverished American children, families, pregnant moms, and seniors and others in need require to live productive, successful lives.

We do this by providing them nutrient rich foods and products such as vitamin supplements and nourishing foods (including naturals and organics). Our distribution network includes thousands of volunteers and staff who work at hundreds of Nourish America partner organizations and agencies serving those in need across all 50 states.

Nourish America partners include public schools, churches, Head Start, Healthy Start and WIC programs, homeless and battered women shelters, public health departments, medical clinics, the American Red Cross, Volunteers of America, Salvation Army, Boys and Girls' Clubs, Feed the Children, Native American programs, YMCA and YWCA, City Park and Recreation Departments, hospital outreach programs, National Guard units, area Councils on Aging, public health departments, medical and nursing school community outreach programs, and many other community and faith–based organizations.

Disaster Response
When a major disaster falls upon U.S. citizens, Nourish America is quick to respond by providing nutrient support to those who are traumatized by fear and loss. After Hurricane Katrina, Nourish America provided nutritional support to tens of thousands of children and their parents through the American Red Cross, Salvation Army, New Orleans Health Department and through its own distribution network throughout the Gulf States.

Last year Nourish America supplied nutritional support to hundreds of thousands of evacuees, disaster victims as well as emergency workers at disasters such as Hurricane Ike, California Wildfire Crisis, Midwest Flooding Crisis. Thanks to our donors we were able to provide over four million dollars of nourishing foods and supplements such as protein bars, energy drinks, multi–vitamins. As climate changes continues to create natural disasters from coast to coast, Nourish America will continue to respond quickly to help those in need.

“When the life of an entire region is turned upside–down with a storm the size of the state of Texas, people emerge who really come to the rescue,” said State Representative Debbie Riddle. “My constituents and I cannot adequately put into words the depth of gratitude that we feel for the people from Nourish America and its donors who have hearts bigger than the hurricane and who have been so generous providing water and nutrition when we needed them most. They were absolutely precious to so many.”

Multi Purpose Room of Eisenhower High School, 1321 N. Lilac at > Baseline, Rialto supported by the Inland Empire Chapter of the American Red Cross. Currently there are three children and three adults registered.

INLAND NEWS TODAY/SOURCE: http://www.inlandnewstoday.com/story.php?s=10897

KEENBROOK – Cold, gusty winds are whipping up a wildfire as it cuts a northwesterly path the the western edge of the San Bernardino National Forest.

The Sheep Fire broke out Saturday afternoon in the lower Cajon Pass and has swept across 3500 acres through Swarthout Canyon where three homes were destroyed.

New mandatory evacuations are being put in place Sunday morning in Wrightwood for the areas east of Heath Canyon and west of Heath Canyon between Lone Pine Canyon Rd. and Hwy 2. The remainder of Wrightwood is under voluntary evacuation.

Earlier evacuations were ordered for Lytle Creek, the Mountain Lakes RV Park and a sparsely populated area between Interstate 15 and Hess Road. An evacuation center was set up at Eisenhower High School in Rialto and another at the Victorville Fairgrounds. Large animals were taken to the Glen Helen Rodeo grounds and small pets to the Devore Animal Shelter.

In spite of air assaults and ground attacks, the fire had an extreme potential to grow. There is no predicted containment.

More than 1,000 firefighters have responded to the scene, but high winds are making the air attack tougher. (INT)

The Salvation Army Sierra Del Mar Division: Serving San Diego, San Bernardino, Imperial and Riverside Counties

THE SALVATION ARMY DEPLOYS FOUR MOBILE UNITS Send this page to a friend

Released 2 November 2007

The Salvation Army is sending its largest mobile kitchens to San Diego's most impoverished area where hundreds of residents lost homes in the wildfires. The Army's "canteens" or mobile feeding units are geared up to help an anticipated 200 people offered shelter in a tent city set up by State Senator Dennis Hollingsworth. The tent city is at the intersection of the Highway 94 and Barrett Lake Road and will include bathroom facilities, showers and generators.

Key to this operation will be the Army's newest 30' Emergency Disaster Services (EDS) mobile kitchen, capable of serving up to 3,000 meals and snacks a day and brewing 27 gallons of coffee per hour. This canteen and its team of four arrived from Las Vegas, Nevada several days ago for its first use at a disaster.

The Salvation Army EDS units will also provide shovels, rakes, sifters and other items to help people sift through the ashes where their homes or trailers once stood. Salvation Army Emotional and Spiritual Care two–person teams will be available to provide comfort and support. The teams will drive through burned–out areas providing water and snacks as well as their willingness to "just be there" and to listen.

To date, The Salvation Army has served more than 160,000 meals and snacks to more than 180,000 persons as well as 150,000 drinks to first responders and survivors.

As of Oct. 31st, The Salvation Army has provided gift cards and vouchers to more than 1,000 people at Local Assistance Centers in Ramona, Fallbrook, Rancho Bernardo and Rancho San Diego with a monetary value of $442,150. Gift cards are for Wal–Mart and Albertson's and vouchers are for Salvation Army thrift stores.

Monetary donations are barely keeping pace with need and The Salvation Army is asking for cash donations only at this time.

Those wishing to help may call 1 866 I'LL HELP or donate on line at http://www.sandiego.salvationarmy.org/

Community Awareness & Treatment Services – CATS

FROM THE WEBSITE:

Community Awareness & Treatment Services, Inc. (CATS), is a private, nonprofit organization founded in 1978 to provide a continuum of care for people with drug and alcohol abuse problems. Over time, our services have evolved to specifically focus on helping the homeless in San Francisco, with the primary goals of promoting positive, lasting change and reducing street deaths.

Who we serve
Unlike many homeless services organizations in the San Francisco area, CATS focuses on the "hardest to serve" homeless–those multiply–diagnosed with chronic addiction, mental illness, physical disabilities, HIV+/AIDS, Hepatitis C, Tuberculosis, and other health problems, as well as veterans, survivors of domestic violence, sex workers/prostitutes, and transgenders in San Francisco.

This population simply falls beyond the capabilities of many treatment programs and organizations. With well–established, synergistic programs, CATS is able not only to reach them, but

also to provide vital support throughout a course of appropriate treatment.

The CATS evolution
CATS has grown extraordinarily over the last 25 years and currently serves over 6,000 clients a year through 8 programs with more than 110 trained staff. These 8 programs taken together have the capacity to serve every point of need–and every segment of our target population–from first outreach, through comprehensive treatments, to follow–up support and permanent housing. This is the heart and structure of the CATS "continuum of care."

Within the CATS network are designated programs to serve women, men and the elderly aged 55 and over, answering the need to feel safe and understood in the process of recovery and transformation.

There are many ways you can help by donating, volunteering or collaborating with CATS.

Local Red Cross to Begin Distribution of Tea Fire Response Funds
By Marjorie Wass | Posted on 01/13/2009

More than $400,000 has been donated to help residents affected by the November blaze.

The Santa Barbara Tea Fire Response Fund, a collaborative community partnership formed in the days after the Tea Fire that began Nov. 13, 2008, is ready to begin reviewing and disbursing donated funds, which total about $405,000.

Residents affected by the fire who seek assistance must apply at the American Red Cross–Santa Barbara County Chapter, 2707 State St. in Santa Barbara, from 9 a.m. to 5 p.m. Monday through Friday.

Applicants should bring proof that their house was burned down or damaged, or that they have been adversely affected by the fire. Examples include a driver's license with the destroyed home's address, or utility correspondence sent to the address. All applications are confidential.

The Red Cross has offered to provide the case management service. Residents who already have applied to Red Cross do not need to apply again. A case manager will meet with residents to discuss unmet needs. To set an appointment, call Pamela Voge at 805.687.1331.

Tea Fire Response Funds will be distributed based on a two–tiered system where a public–private partnership of agencies and officials will provide screening at the social worker/case manager level and an oversight committee of local leaders will provide direction and assurance that all monies are used appropriately. United Way of Santa Barbara County is acting as the fiscal agent, handling the monies for the fund. United Way is not charging for this service, and 100 percent of the donations will go for services to Tea Fire survivors.

The Tea Fire Response Fund is committed to the long–term recovery of the community.

Disbursements will be made throughout the year as needs of survivors continue to be identified.

Disbursements will be made on a quarterly basis until all funds are disbursed, no later than Dec. 31.

The first checks will be distributed in March and every three months thereafter. It's a tentative schedule and may be adjusted based on what the screening subcommittee and oversight committee determines are the most pressing short–term, midterm and long–range needs of the community.

"Tea Fire Victims Need Specific Items", says the
Long–Term Recovery Committee
Santa Barbara 'Voluntary Organizations Active in Disaster'

(VOAD) Seeks Support for Tea Fire Victims from the
Business Community
Thursday, Februay 5th, 2009

The families and individuals impacted by the Tea Fire are currently experiencing different needs than immediately after the disaster. A change of clothes, a toothbrush and some shampoo was all some could think about as they tried to process what had happened to their lives.

Now the need is becoming more specific: a computer to help communicate with piano students; replacement tools so a general contractor with no insurance can get back to work; a catering company that lost everything; etc., etc.
The Long Term Recovery Committee of the VOAD has a limited amount of funds to meet the many needs. The desire is to help make the money stretch so everyone can be helped.

If you operate a business that could donate or discount useful items
of any kind to qualified victims of the Tea Fire, please contact Pam
Voge at the Red Cross ….687–1331 ext. 107.

FROM THE WEBSITE:

What does WSFB do?

Simply put, Westside Food Bank is a community supported 501(c)(3) non–profit organization which collects donated surplus and salvageable food locally, as well as food purchased at wholesale, salvage and co–op prices, then distributes this emergency food to hungry people through more than 65 social service agencies.

In doing so the food bank solicits, collects, inspects, sorts, stores, and distributes surplus food donations from all sectors of the food industry including supermarket warehouses and food manufacturers, processors, wholesalers, and brokers. The Food Bank also solicits financial contributions which are used to buy warehouse equipment and supplies and to support specialized food programs and wholesale food purchases.

Westside Food Bank is a non–profit organization founded in 1981 as a project of the Westside Ecumenical Council. The Westside Food Bank's mission is to distribute as much nutritious food as possible to local food assistance charities, and to reduce food waste on the Westside. Over the years we have grown to the point that we now distribute nearly 4 million pounds of food a year to more than 60 social service agencies, thereby sustaining 80,000 of our most vulnerable neighbors––approximately half of them children.

In order to supply our member agencies, we acquire food through a variety of sources, including food industry donations, community food drives and the purchase of food supplies in bulk at wholesale prices. In addition, Extra Helpings Westside, our innovative prepared and perishable food recovery program, collects more than 130,000 pounds of food per month from restaurants, markets, bakeries, caterers, and farmers' markets and delivers it to our member agencies.

We Serve

Our member agencies are located throughout the Santa Monica, West Los Angeles, Venice, Culver City, Inglewood, and West Hollywood areas of Los Angeles County. Though this is an affluent area, one out of every ten people who reside here––over 100,000 people––live in households with incomes of less than $15,000 a year. Our food reaches the entire spectrum of the needy:

Low–income families
Unemployed and underemployed
Seniors
Women and children living in domestic violence shelters

Homeless
Mentally ill
Disabled
People in rehabilitation facilities
Veterans who may face the challenges of readjustment, ill–health or poverty
Anyone else without access to enough food

Kids Korps USA Joins Relief Efforts for Fire Victims

This has been a trying time for all of San Diego County. Hundreds of thousands of people have been and continue to be displaced by the fires, and many others have been impacted and will continue to feel the effects of this past week.

In light of these events, Kids Korps is activating emergency response projects in coordination with our community partners.

Kids Korps can only respond to our recipients' needs with your financial support. We are asking you to please make a financial contribution in support of the following relief and recovery programs:

? Purchasing and assembling toiletry kits for displaced men, women and children
? Assembling care packages and thank you cards for our firefighting heroes
? Planning Halloween parties and costume donations for child evacuees
? Assembling Thanksgiving care packages and gift cards for displaced families
? Assisting in reconstruction and revitalization efforts
? Targeting your neighborhood's needs and creating specific programs for those in need

While you are at home with family or friends, we ask you to begin writing thank you cards for our heroes: the firefighters, military, national guard and volunteers.

This is a crisis in which we can make a significant difference together. You may send your tax–deductible donation, whatever amount you can, and your letters and gift cards to Kids Korps USA, 265 Santa Helena, Suite 130, Solana Beach, CA 92075 or call us at 858.259.3602 to make a pledge.

Also, keep in mind that along with this crisis, our traditional recipients still depend on us and your support. We have numerous projects this coming weekend with opportunities to get involved. The need is more urgent than ever.

Just some of the relief organizations that Kids Korps supports include: San Diego Food Bank, North County Food Bank, Angel?s Depot, Bread of Life, St. Vincent de Paul, San Diego Rescue Mission, Interfaith Community Services, Salvation Army, Catholic

Charities, Encinitas Community Resource Center, Habitat For Humanity, Senior Community Center, Helen Woodward Animal Center, San Diego Humane Society.

Thank you all for your continuing support, we look forward to working together!

Evacuations currently include: Meridian Hills in the City of Moorpark . Affected dwellings include neighborhoods south of Broadway Road, West from Walnut Canyon Road to Balcom Canyon Road as well as the unincorporated Area of Moorpark – Balcom Canyon to Happy Camp Canyon. Areas affected in the unincorporated Area of Fillmore include: the Bardsdale/Sespe Area.

All roads in that area are closed EXCEPT for people that need to go in and evacuate horses or need to get medication.

They must have proper ID to get past the roadblocks.

Road Closures include Highway 23 between Fillmore and Moorpark, and Walnut Canyon and Spring Road.

More than 400 firefighters are battling a fire that started south of Fillmore and is burning towards Moorpark.

The fire is currently at 6000 acres and growing.

Two firefighters have sustained minor injuries.

Additional firefighters, air tankers, helicopters, dozers and other resources have been ordered.

The Red Cross has set up an evacuation center at The Goebel Senior Center at 1385 E. Janss Road in Thousand Oaks.

Large animals are also being evacuated.

The Ventura Fair Grounds has opened to accept those displaced animals.

Small animals can go the Animal Regulation at the Camarillo Airport.

Fire officials say the fire was likely started when some manure spontaneously combusted.

All Red Cross shelters for the Station Fire were closed on 9/7/09.

Two Shelters Remain Open for Wildfire Evacuees
Sept. 4, 4:00 p.m – Two American Red Cross shelters remain open for wildfire evacuees. The Red Cross has provided overnight stays for more than 700 people at seven shelters since wildfires first erupted on Aug. 27.

Nearly 500 Red Cross volunteers from throughout California have assisted residents during the wildfires, providing : 5,100 meals, 8,600 snacks, 525 comfort kits (containing a toothbrush and other personal hygiene items) and dozens of clean–up kits (containing a broom, mop and other cleaning supplies). Red Cross volunteers are now assessing damage in areas where homes were destroyed to verify the need for future Red Cross services.

The following shelters continue to be open for wildfire evacuees:

Golden Valley High School
27051 Robert C. Lee Parkway
Newhall, CA 91350

Verdugo Hills High School
10625 Plainview Avenue
Tujunga, CA 91042

LTel 8/30/09:

I visited this shelter site today. There were very few people populating it though they had 17 people stay overnight.

At the time I was there, mandatory evacuations had gone into effect and over the next hours it was expanded further. This is a very active part of the fire at this time.

Right after I arrived, Verizon showed up to set up a mini–internet cafe. The shelter residents and RC volunteers (and me) all cheered and thanked them for this great service to these folks.

The shelter was well staffed, equipped, air–conditioned and comfortable and the mood was positive.

Flames in many different spots and a very apocolyptic cloud of smoke could be seen from the location just about a half mile away but air drops were hitting it hard.

The volunteer staff was thrilled to take down our information to help with pet sheltering referrals for evacuee's. Many people didn't know where to take their animals and County Animal Services is about maxed out.

This shelter is urgently seeking RED CROSS TRAINED ONLY VOLUNTEERS in the following capacities:

Public Affairs
Shelter Service Associates
Shelter Supervisors
Health Services
Disaster Mental Health
Govt Liaison
Canteen

The November 2008 Sylmar Wildfire presents a significant challenge to Los Angeles County as winter approaches and the housing economy is weakening. With the fires contained, the focus must now shift to the relief and recovery efforts necessary to rebuild impacted communities.

CCF's Southern California Wildfire Relief Fund supports intermediate and long–term recovery efforts with a particular focus on low–income, underserved and vulnerable populations and nonprofit organizations serving the affected areas. Proposals are now being accepted for requests up to $25,000 over one year.

Funding will support organizations serving those who were affected by the November 2008 Sylmar Wildfire through:

(1) Displacement or loss of housing, belongings and/or employment
(2) Negative impact on their physical or mental health
(3) Devastation wrought in their physical environment (e.g., to community facilities)

Understanding VOAD

About VOAD

National VOAD (NVOAD) coordinates planning efforts by many voluntary organizations responding to disaster. NVOAD member organizations provide more effective service and less duplication during times of disaster by getting together before disasters strike. When a disaster occurs, NVOAD or an affiliated state VOAD encourages members and other voluntary agencies to convene on site. This cooperative effort has proven to be the most effective way for a wide variety of volunteers and organizations to work together during a crisis.

According to the National VOAD website, NVOAD serves its member organizations through:

Communication – disseminating information through electronic mechanisms, its newsletter, the directory, research and demonstration, case studies, and critique.
Cooperation – creating a climate for cooperation at all levels (including grass roots) and providing information.
Coordination – coordinating policy among member organizations and serving as a liaison, advocate, and national voice.
Education – providing training and increasing awareness and preparedness in each organization.
Leadership Development – giving volunteer leaders training and support so as to build effective state VOAD organizations.
Mitigation – supporting the efforts of federal, state, and local agencies and governments and supporting appropriate legislation.
Convening Mechanisms – putting on seminars, meetings, board meetings, regional conferences, training programs, and local conferences.
Outreach – encouraging the formation of and giving guidance to state and regional voluntary organizations active in disaster relief.

State VOADs carry out the national work on a local level by convening regular meetings of their members and working together on pre- and post-disaster coordination. In California NorCal VOAD and SCVOAD are affiliated with NVOAD.

Catholic Charities To Provide Meals For Waldo Canyon Fire Evacuees
June 26th, 2012

Catholic Charities has been asked by the Salvation Army in Colorado Springs and the Red Cross in Divide to begin providing daily breakfast for the Waldo Canyon Fire evacuees at Cheyenne Mountain High School in Colorado Springs as well as breakfast,

lunch and dinner for the evacuees at Summit Elementary School in Divide, Colorado. Meal service will begin Wednesday, June 27 and will continue until evacuees are allowed to return to their homes.

“Providing meals for the evacuees will require Catholic Charities’ Marian House to prepare about 450 meals more per day. This will be in addition to the 600+ noon time meals we already provide on a daily basis,” said Mark Rohlena, President & CEO of Catholic Charities. “We are pleased to be able to help in this way to make life a little easier for those who have been displaced by this disaster in our community. We ask that everyone continues to pray for those battling this fire, as well as those who are displaced or in harms way.”

To deliver an additional 450 meals per day, Catholic Charities is asking the community for help. The following items are needed:

Monetary donations
In–kind donations
Sliced fruit (fruit trays)
Frozen Potatoes: hash browns or tater tots
Boxes Frozen waffles or frozen pancakes
Breakfast pastries
Cereal
Butter/margarine
Syrup
Oatmeal
Disposable Aluminum pans - 9 x 13 or larger
Heavy duty / industrial Aluminum foil
Sugar, creamer, condiment packets (mayo, mustard, ketchup), salt & pepper packets
Paper Products to include: Plates, napkins, coffee cups, bowls, and forks, knives, and spoons (restaurant packs would be ideal)
Volunteers to help prepare meals -Call Doug at 719–866–6286 to volunteer

12:00 pm - 4:00 pm to help with daily pre–preparation of meals
Donations can be dropped off at the Marian House, 14 West Bijou Street (west side of building at the dock), from 7:00 am - 2:00 pm.

To make a donation on–line, go to www.ccharitiescc.org and click on the donate button. Once there, please specify Waldo Canyon Fire / Disaster Relief on the donation form.

We want to thank Care & Share for providing cartons of eggs and breakfast meats for the meal preparation. They will be delivering the needed items to the Marian House each day.

All food preparation for the Cheyenne Mountain High School shelter will take place at Marian House and be transported to the shelter. At this time, it is unclear if Catholic Charities will be preparing food at their 14 West Bijou location for the evacuees in Divide, or if food will be transported to be prepared at Summit Elementary. Catholic Charities is working to get access to Highway 24 for the purpose of providing this service to those evacuees in Divide.

Any support the community can give is greatly appreciated.

The Salvation Army responds to the FourMile Canyon Fire
Released 7 September 2010

The Salvation Army has activated a mobile kitchen and cold truck in response to the FourMile Canyon Fire in Boulder.

As of 5:15am, more than 450 meals have been served to first responders to the FOURMILE Canyon fire in Boulder County.

At 11pm on Monday evening, the command center was moved to the Mesa Table Blvd., location along with The Salvation Army mobile kitchen that is providing food and hydration to the command staff and other first responders.

Breakfast will be served beginning at 6am this morning and The Salvation Army is been asked to prepare 300 meals. Breakfast will consist of omelets, hash browns, sausage patty, coffee, juice and fruit.

The Salvation Army will be providing meals and hydration throughout the day including lunch and dinner this evening. The kitchen and cold truck will remain on site as long as necessary to support this effort.

If donors wish to help The Salvation Army, they can call 1–800 SAL ARMY or go to the website, DenverSalvationArmy.org to make a donation and earmark the donation to Emergency Disaster Services.

* *

As of 9pm, more than 450 meals were served this evening and meals are being prepared for those fire fighters staffing the lines overnight. The current mission for The Salvation Army mobile kitchens (canteens) is to provide food and hydration to first responders of the FourMile Fire.

Those first responders are fire fighters; law enforcement members providing security, crowd and traffic control in the affected areas; Emergency Medical Technicians supporting the efforts; and the command and control staff that is coordinating the fire efforts at the command center. The canteens are located at 6th and Canyon at the command center at the Criminal Justice Center

The Salvation Army will remain overnight and prepare breakfast for the crews fighting the fires. Breakfast will start to be served beginning at 6AM.

The on–site media is also offered food and hydration in order to keep them feed and hydrated in order to provide continued coverage to the public of the changing situation.

UPDATE FROM THE WEBSITE:

Salvation Army Workers in Chile Join Forces (Update 5 March)

THE Salvation Army in southern Chile is combining its resources and using careful planning to help people affected by the earthquake and tsunami that caused devastation to much of the country, particularly in and around the city of Concepcion.

The emergency disaster headquarters for the southern region has been established at the Salvation Army corps (church) in Hualpencillo, which is located between Concepcion and the coast. The corps has a kitchen where meals can be prepared. There are tents set up at the corps, some occupied by Salvation Army soldiers (members) from Hualpencillo whose homes were washed away by the tsunami caused by the earthquake.

An emergency disaster team arrived on Monday 1 March from Valdivia with goods and resources that could be distributed in the most affected areas. Vans and other Salvation Army emergency vehicles are delivering meals and other essentials. Local Salvationists are being supported by an emergency disaster services team of officers and soldiers from Osorno, 250 kilometres south of Hualpencillo.

More than five years ago Major Juan Gutierrez, then corps officer (Salvation Army minister) at Hualpencillo, dug a well with which to water the lawns and gardens around the Salvation Army property. He never used it but God has honoured his plans by making the well an important component of The Salvation Army's response to the earthquake.

The current corps officer, Major Abraham Marin, installed a pump on Wednesday (3 March) and, using a generator supplied by Major Roberto Moya, corps officer at Osorno, there is now a source of clean water which can be used by the people being helped by The Salvation Army in Hualpencillo.

Major Juan Carlos Alarcon, Divisional Commander of The Salvation Army's Chile South Division, says: 'I spoke with Major Gutierrez by telephone to advise him that members of his family who live in the [earthquake] zone are safe. At the same time, I thanked him for drilling the well, which is now helping hundreds of families. In Hualpencillo, we are not only providing food, but fresh spring water as well.'

On Tuesday the corps officers from Concepcion and Hualpencillo, Majors Carlos and Elizabeth Aguilar and Majors Abraham and Norma Marin, met with corps members to decide the type of help they should give to people affected by the earthquake. Representatives from the regional government, army, navy and other religious and non-government organisations (NGOs) attended the meeting.

The two corps have been officially recognised and lines of communication have been established to help provide immediate assistance and support during the eventual reconstruction.

The Chilean capital, Santiago, was not affected as badly as the southern cities but the earthquake still caused damage there. In the Brazil neighbourhood, 1,500–2,000 people are being served with food every day. Hot meals and substantial breakfasts are now being offered, along with supplies of water, first aid essentials, blankets and candles.

Major Nancy Alarcon, officially on sick leave while recovering from surgery, has taken charge of the many missing persons enquiries arriving at The Salvation Army's Chile South Divisional Headquarters through the Internet, by telephone, in letters and on handwritten notes. On Wednesday Nancy and her team were able to respond to Europe regarding a person who was found to be safe in a rural village. This means of assistance will continue to be expanded.

'Let's Help Hualpen' is the slogan that Captain Marcos Gutierrez, corps officer in Ancud on the island of Chiloe in southern Chile, is promoting in his area on radio and television. He has received 60 bags of merchandise, clothing, 200 litres of water, 50 boxes of milk, pasta, rice, sacks of potatoes, disposable adult diapers, crockery, blankets, bedspreads and sheets – all donated by the neighbours around the corps.

A municipal truck has been put at his disposal to take the items from Ancud to Hualpencillo, and he will be accompanied on the journey by a local radio personality and reporter from Ancud.

Major Juan Carlos Alarcon concludes: 'We are glad to report that our officers have freedom of movement during the curfews. Caravans are being coordinated to bring supplies in safely. We are part of the group of recognised agencies for the administration of assistance from the Government in the assigned zones.'

Immediate Salvation Army response to devastating earthquake in Chile (updated 28 February)

Following a devastating 8.8 magnitude earthquake in Chile during the early hours of Saturday morning (27 February), affecting around two million people, Salvation Army emergency services were immediately mobilised to provide support and comfort.

International financial assistance is already on the way from The Salvation Army international headquarters in London.

The earthquake epicentre was approximately 90 miles (150 kilometres) north west of the city of Concepción in Southern Chile which is approximately 350 miles (approximately 600 kilometres) from the capital of Santiago, 'nevertheless, the quake was of a 7.0 magnitude in the Santiago metropolitan region', says the Chief Secretary of The Salvation Army South America West Territory, Lieut–Colonel F. Bradford Bailey .

The area most affected by the earthquake was between the cities Os Temuco and Chillan, with Concepcion hardest hit, reports the South America West Territory Secretary for Business Administration Lieut–Colonel Maria Alarcon. She adds, 'I have never seen such destruction here before, though I have worked in many disaster situations – they don't compare with this'. The Lieut–Colonel says the immediate need is still food, water and medicine.

Lieut–Colonel Alarcon also reports that tents to house 60 displaced families have been set up on the patio of the Hualpencillo Corps near Concepcion and that Salvation Army officers are travelling from Puerto Montt and Osorno, in Southern Chile, to Concepcion to join The Salvation Army emergency relief response team.

'Our officers are all fine, but a lot of Salvation Army properties are damaged especially the older ones made of adobe bricks. The worst damage in Santiago has occurred at Quinta Normal and Lo Vial Corps, and El Faro Men's Residence,' adds the Lieut–Colonel.

Territorial Commander for the South American West Territory, Commissioner Jorge A. Ferreira (currently in Ecuador) reports that The Salvation Army is also carrying out emergency relief work in the city of Os Valparaiso on the west coast of Chile. The Commissioner adds that it had been planned to dedicate a recently arrived mobile Salvation Army emergency services canteen (a donation from USA Southern Territory) on 4 March, 'however, this is now already being used to serve those in need'.

In the early hours following the earthquake Lieut–Colonel Bailey said that the immediate Salvation Army response included providing food, water, first aid kits, emergency packets, blankets, candles and other urgently required supplies.

He added that people had flocked to the streets 'as numerous aftershocks continue to pummel' the country, severely affecting older buildings in the more historical areas of the larger cities.

Water, gas and electricity were immediately cut off in areas affected by the earthquake and will stay disconnected until relevant emergency crews can assess the damage and prioritise immediate needs.

Lieut–Colonel Bailey said that it has been extremely difficult to communicate with Salvation Army centres throughout the country as all phone lines (mobile and land) have been disrupted. ‘Some computer based communication, especially Skype, has been providing an alternative way for those in other countries to communicate with people in Chile.’

The emergency services coordinator for The Salvation Army International Headquarters (IHQ) in London, Lieut–Colonel Mike Caffull, reports that IHQ has already agreed to provide financial assistance for the Chilean Salvationists relief response. He says assistance coordinated by the IHQ emergency team will also be provided regarding ongoing relief in the medium and long term.

Please pray for the people of Chile.

SALVATION Army emergency teams are providing ongoing support to people in Tocopilla, northern Chile, who lost their homes in a devastating earthquake. Tocopilla, situated in the Atacama Desert – the most arid desert in the world – is the city most affected by the earthquake which measured 7.7 on the Richter scale and left 15,000 people without homes or basic necessities.

Jaime Garcia, a worker from the local fish plant, told Salvation Army team members that the only thing still standing in his house is the kitchen. 'Now, we will have to start again,' he said. Jaime is one of thousands of people who saw years of sacrifice to build their homes and provide for their families brought to nothing in the 50 seconds that the main quake lasted.

Many people are now living in improvised tents in front of what remains of their homes, desperate to hold on to something of life before the earthquake. Families have begun clearing rubble from their land, often simply leaving it in the streets of Tocopilla, which has been declared a 'disaster zone' by the President of Chile, Michelle Bachelet.

The Salvation Army continues working with the people, distributing approximately 300 prepared meals and water daily. Teams are working in and with the community, and have organised community members to help in the preparation and distribution of food.

Lieut–Colonel Susan McMillan, Chief Secretary of The Salvation Army's South America West Territory, says: 'A roster of the most–affected families has been prepared, and bags of non–perishable food, blankets and tents have been distributed to them.'

The Salvation Army has also been providing basic medical care. The officer in charge of Tocopilla Outpost, Captain Clauris Morales, is a nurse. She has been providing first aid, taking blood pressure, and providing injections to those in the community who require this service.

Two Salvation Army officers from central Chile have been flown by the Chilean Air Force to the region, in order to provide some relief to the officers in the north. Major Elba Espinoza and Captain Anabella Archiles will provide support to Captain Morales in Tocopilla while plans are put in place, working closely with the community to replace housing for those families who have lost everything.

FROM THE WEBSITE:

BRACE – the Be Ready Alliance Coordinating For Emergencies – is a local network for linking organizations active during disasters and interested persons. BRACE brings the community together to address emergency management issues and thus helps reduce loss of life, injury, property damage, environmental impact and economic loss due to disasters. Through fostering communication, cooperation, collaboration and coordination among a partnership of private, public and non–profit organizations, BRACE will help our community become more prepared, resilient and self–sufficient.

Who We Are

BRACE launched on March 31, 2006 with more than 200 present at Pensacola Junior College when Craig Fugate, director of the Florida Division of Emergency Management, addressed a "Culture of Preparedness" and subject matter experts presented information about preparedness, response, recovery and mitigation. Recognizing that recovery from Hurricane Ivan was delayed because of the absence of an organization focused on disaster preparedness and response, the leadership of the Long Term Recovery Committee served as a catalyst for the establishment of BRACE.

Former Gov. Jeb Bush set a budgetary priority to establish a "Culture of Preparedness" to ensure Floridians and their local governments take the necessary safety measures in preparation for hurricanes.

WHO WE ARE

"BRACE's first priority is promoting personal responsibility and self–sufficiency in times of emergency," said Greg Strader, interim executive director. "This is especially critical due to the National Hurricane Center's prediction of a decade or more of frequent and intense hurricanes."

Disaster planning and preparedness enhances the effectiveness of response and speeds recovery. Engaging all sectors of the community will provide additional resources for disaster preparedness, response, recovery and mitigation.

The Mission of BRACE is to have every individual, church, business, nonprofit and civic organization involved in ensuring that our community is able to respond to and quickly recover from any type of disaster. The Escambia County Office of Emergency Management is responsible for managing emergencies, but they cannot do it alone. There are many critical services needed to address the impacts of disaster that require the involvement of community based organizations. In partnership with Escambia County Office of Emergency Management, BRACE coordinates that involvement.

The current BRACE Program of Work includes services such as promoting personal responsibility and self–sufficiency during disasters, providing childcare to first responders (emergency management personnel) and continuing life–saving services to the homebound (persons with disabilites and frail elderly) during and after a disaster.

Become a Partner with BRACE today and find out how you can make a difference. Email us at BRACE@BeReadyAlliance.org or call 850–444–7135 for more information.

The recent floods in the metro Atlanta area have affected hundreds of individuals and families across the region. With your help, we can begin to address the urgent and basic needs of these flood victims.

United Way of Metropolitan Atlanta is working with a disaster network of more than 560 partners to support the community's first–responders. These partners include relief organizations that your donations help support, such as the American Red Cross and The Salvation Army. We are in constant communication with these organizations, and are providing assistance and coordination as needed.

Based on our involvement with disaster relief efforts following Hurricane Katrina and last year's Atlanta tornadoes, we know that it often takes people up to a year or longer to fully recover from a disaster. Many families will be financially devastated and will need immediate and continuing support. That's why it is so critical that, together, we plan for both the short– and long–term recovery of those affected.

Here's how you can help.

Donate to the Disaster Relief Fund by:

• Calling United Way 2–1–1 by dialing 2–1–1 or 404.614.1000
• Giving online
• Designating to the Disaster Relief Fund through your workplace campaign, either as a pledge or a direct payment
• Mailing a check, made payable to United Way Disaster Relief Fund, to United Way of Metropolitan Atlanta, 100 Edgewood Avenue, N.E., Atlanta, GA 30303.

Volunteer to help those affected.
United Way is evaluating the volunteer needs of more than 1,900 nonprofits in our community. Contact United Way 2–1–1 for volunteer opportunities.

This page will be updated as new information becomes available. Our thoughts and prayers continue to be with the families of those affected by the recent floods in metro Atlanta. If you or your family are one of them, please call 2–1–1.

For Immediate Release

Sweetwater Valley C.A.M.P. to Serve as
Central Assistance Location for Flood Victims

Austell, Ga. (September 30, 2009.) On Wednesday, September 30, more than 60 members of the Cobb County community including nonprofit leaders, government and local schools, and churches assembled at South Cobb High School for the second meeting of agencies to address the needs of Cobb County flood victims. The meeting, also attended by Representative Alisha Thomas–Morgan, District 39, was scheduled to discuss the plans to ensure the immediate and long–term needs of flood victims are met.

Sweetwater Valley C.A.M.P. located at 6289 Veterans Memorial Highway in Austell has been designated as a central location for flood assistance. Starting Monday, October 5, flood victims can be seen Monday through Saturday, 9 a.m. to 1 p.m. Case managers from Sweetwater Valley C.A.M.P. and local agencies including The Center for Family Resources, MUST Ministries, and The Salvation Army will be present to provide resources including financial assistance, temporary housing assistance, food, clothing, diapers, hygiene items, school supplies and water.

Contact Sweetwater Valley C.A.M.P at 770.819.0662 or www.svcamp.org.

“Case managers will work one–on–one with families to identify unmet needs, intermediate and long–term needs, said Darlene Duke, executive director of Sweetwater Valley C.A.M.P. We have to be there for the long haul. We are very grateful to all the agencies supporting us and rallying behind us to make this happen.”

Donations items are needed to support the relief effort including cash donations; basic food staples; gift cards to Walmart, Kmart, Target, etc; hygiene items, diapers and cleaning supplies. Donations of furniture should be given to the Atlanta Furniture Bank. They can be reached via the web at www.AtlantaFurnitureBank.org. You can also call David DiCaprio at 404.355.8530, ext. 222.

Cash donations clearly marked with 'FLOOD' can be made to community partners: Sweetwater Valley C.A.M.P., Cobb Disaster Recovery, The Center for Family Resources, MUST Ministries and the United Way of Cobb County.

"I am proud to see so many local community organizations, government and churches coming together to support our community, share resources and connect with one another, said Representative Alisha Thomas–Morgan, District 39. We appreciate the outpouring of support and want people to continue to make donations and realize the support is needed on a long–term basis."

Current volunteer needs include sorting clothes and food, crowd control, administrative tasks, mudding and construction repair. Non–construction volunteers should contact Jenaila Hawkins at MUST Ministries at jhawkins@mustministries.org or (770) 790–3873. Skilled volunteers looking to provide construction, plumbing, or carpentry expertise should contact Gene DeWulf, Cobb Disaster Recovery at gdewulf@uwma.org or (404) 589–9438.

"CFR is proud to be a part of this effort and to support Sweetwater Valley C.A.M.P as this community comes together in support of one another, Jeri Barr, CFR CEO said. The cooperative and collaborative effort of these organizations and the generosity of this community will help to ensure as many residents as possible receive the assistance they need."

DISASTER RELIEF SERVICES
Miracles in the midst of pain and suffering...

When flood waters rise, when tornadoes wreak havoc in neighborhoods, when fires destroy homes and dreams – that's when The Salvation Army demonstrates Christian service at its best, with not only food and supplies, but prayers and counseling.

In times of destruction and devastation, from one end of the state to the other, the Army's mobile canteens roll into place to bring relief. Workers comfort victims, help reunite families and find emergency shelter. They bring food, clothing, blankets, medical supplies and financial assistance. And when the immediate crisis is over, long after the TV cameras are gone, The Salvation Army is still there, helping with massive cleanups and reconstruction.

FROM THE SITE:

Welcome to Global Village Champions Foundation

Global Village Champions Foundation is determined to provide these cornerstones of basic human necessity to as many Haitian people as our resources will allow. We have privately delivered hundreds of millions of meals around the Globe in the past 15 plus years. For the foreseeable future, our first priority is the orphan children of Port–au–Prince, Haiti. Your membership contribution as a Platinum Global Villager of $49.95 per month will insure the following basic needs are met for one child. Become a Villager today.

* SAFE SLEEP – roof, heat, light, bed
* FOOD SECURITY – 3 meals per day
* HEALTH (MEDICAL) MAINTENANCE – 1 check up per month
* PRODUCTIVE EDUCATION – 6 hours per day, classroom and practical

Any contribution that is financially responsible for you to make will be gratefully accepted.

Our Vision

The internet age has spawned a variety of "social networking" sites that have attracted millions upon millions of individual members totally unbound by geographical borders, national constraints, political allegiance, age differences and many other human divisions.

Ours is the first Social Awareness networking site.
Ours is a site with a real purpose.

That purpose is the achievable goal of ending hunger wherever it exists in our world. To that end, Global Village Champions Foundation has constructed this community website where Villager members and visitors alike can interact with one another, and their organization, in the shared purpose of fighting world hunger.

Building on a 14–year history of distributing free meals, Global Village Champions Foundation is bringing that commitment to the next level – the internet level, with its limitless power to reach people everywhere and organize the power of every individual member into a common global force for good, for ending hunger.

Our web–based operation will be totally transparent and round–the–clock, allowing Villagers to track exactly where their membership–supported meals are going and to know exactly who those meals are helping. Global Village TV will bring you face–to–face with the results of your contribution. Villagers may have the opportunity to work alongside the Champions and experience first hand the gratitude of the people that your contribution lifts up.

Combining your personal commitment with Global Village Champions Foundation's technology architecture on the internet, a worldwide Day Without Hunger by the end of 2010 can be and will be a reality

Friend Ship Integrity is presently arriving back in Haiti. Integrity was able to return to our home base in Lake Charles Louisiana loading for a fouth voyage to Haiti. The Integrity was able to install a new communications satellite recently donated. The ship was able to load some wonderful supplies and building materials to take into Haiti.

The Friend Ships Sea Hawk team at the Haiti base continues to work in medical and food distribution outreaches as well as providing assistance to long term ministries based in Haiti.

Haiti Relief – Update March 14, 2010Past Updates

Friend Ship Integrity has returned to Miami and is loading for a third mission to Haiti. This trip will carry rice, beans, building materials, tents, shelter materials, water, detergents and shoes. The team at base camp in Haiti continues to assist with various projects including the distribution of shelter materials.

Integrity arrived in Haiti on Wednesday and by the weekend will offload goods that will be distributed to Haiti One (who redistributes to more than 50 ministries), Global Missions, Global Outreach, Christianville, Fishers of Men Ministry and several other organizations who are working so hard to meet the needs of the Haitian people. Integrity is almost ready to sail for the second mission to Haiti. It has been a great stay here in Miami where we have been graciously hosted by the Port, the stevedores, longshoreman, Norton Lilly Agency, the pilots and all involved. Peace for Haiti Ministry has assisted our efforts tremendously and we have been able to quickly gather and load wonderful humanitarian supplies. We have also replenished the crew including a wonderful group of young men from ALERT have joined. The team at base camp in Haiti are doing good as they assist local ministries with projects and prepare for the ship's soon return.

Haiti Earthquake Relief – Friend Ships send the vessel IntegrityIntegrity arrived in Haiti on Tuesday and waited at anchor until a dock became available on Thursday to offload her beautiful goods. Thursday and Friday our team worked well into the night, discharged the heavy duty tarp, drinking water, food and medical supplies that were consigned to our partner SMILE OF A CHILD who selected an organization named Haiti One to work with for distribution. We also delivered supplies to Blessings for Obedience, Metro Ministries, Global Outreach and the Salvation Army. We had favor with the dock owners who kept their own ships waiting in order to accommodate us.

Our advance team reports that the conditions in Haiti are horrific. The need is tremendous and as soon as our base camp is set–up and goods moved to their distribution point, she will turn her bow toward Miami, where another full load awaits here. Rice, beans, corn, baby food, fortified drinking water, meals–ready–to–eat, bleach, hygiene supplies, new sandals and shoes, tarp, Christian literature and toys are all ready to load.

The Port of Miami has opened it's doors to us with both dock and warehouse, without charge. The Miami longshoreman, ship's agent, pilots and cargo handlers are all helping us without charge. We have found great favor in Miami and are working closely with Pastor Rich Wilkerson and his team who are helping with the efforts tremendously. If you want to send supplies please make sure to read this information in the How you can help area.

It has been a successful mission thus far but only just started. We will keep the site updated with reports from our ground team when they have activated our satellite internet and are able to issue reports. Thank you for your prayers and gifts. It has made it possible for us to run this race.

List of Humanitarian Aid delivered to Haiti on Voyage #1:

* 4– 20' Mobile Super Clinics – each unit containing 2 clinics
* 57,120 1– liter bottles of drinking water
* 411,600 square feet of heavy duty shelter materials for tents
* 281,660 meals– including meals–ready–to–eat, rice, beans and soup
* 9600 blankets

* 148–50 gallon barrels filled with medical supplies including syringes, sutures, dressing, gloves, needles, gauze and gloves
* 11 pallets of medical equipment and supplies including casting materials, x–ray machine, ultrasound and medical cots
* 384 tents
* 432 sleeping bags
* 192 duffel bags
* 6 generators and fuel
* Emergency broadcasting equipment & portable radios
* 2400 pair of new sandals and shoes
* Thousands of doses of medicine and thousands of collapsible water jugs

These goods have been distributed to Haiti One, Global Operations, Blessings for Obedience, Salvation Army and Metro Ministries. Haiti One is redistributing to more than 35 churches and feeding centers throughout the effected area.

In addition, for our operations, we carried tents, 3–20' containers with base camp and food service equipment, a water purification trailer, 4 trucks, communication equipment, food, generators and forklifts.

We have a full load ready to go for Voyage #2.

These supplies will be received and utilized or distributed by Haiti One, World Vision partners, Fishers of Men Ministries, Global Missions and others.

Supplies include:

* 600,000 meals of rice & beans
* 33,600 bottles of water
* 640,000 square feet of heavy duty shelter materials
* 40,000 pounds of baby food
* Hundreds of thousands of Haitian Creole language gospel tracks, Bibles and solar powered audio players with God's Story and the Jesus Film recorded.
* New shoes and sandals and many other items.

The Lord is so faithful to provide for those in need! Thank you for your helping us to help those in desperate circumstances. Isn't God awesome?? Remember that we want to continue to run these loads for months to come.

As the Lord leads you, please continue to help us with rice, beans, canned meat, cooking oil, 2 man tents, hammers, roofing nails, 1/2" and 3/4" plywood, 2 x 4's, new clothing, generators, back–packs and funds for purchasing new underwear for disaster victims, diesel fuel and other operational expenses.

Please continue to check back for updates.

Past Updates:

Our operations are in full swing responding to the devastating earthquake in Haiti. Our ship Integrity is preparing to set sail within a few days and will be on it's way to Port–au–Prince with the first load of humanitarian aid. The supplies include generators, a large about of heavy duty vinylHaiti Relief, Integrity loads supplies for Haitimaterial to provide shelter, tons of medical supplies and orthopedic equipment, hundreds of tents and sleeping bags, medical cots, blankets, thousands of pounds of rice and beans, ready to eat soup and meal replacement bars, packaged meals–ready–to–eat, clothing, juice and thousands of gallons of bottled water. We are also loading our trucks, heavy equipment and Bell jet helicopter in order to assist in the operations. It's a tremendous load and your funds helped us to kick into high gear immediately to respond to this need.

Integrity as crew work in the evening to load supplies for HaitiGiven the magnitude of this need, our intention is to run multiple voyages with supplies and equipment while operating a large scale food and medical service camp to provide for the needs of the victims. We are partnering with Smile of A Child and many other ministries have joined with us to help. Thank you for the crucial part you play in our being able to respond on such a large scale.

HOW YOU CAN HELP MAKE A DIFFERENCE!

Friend Ships will be delivering food, water, shelter materials, clothing and medical supplies to the earthquake ravaged nation of Haiti. Our ship Integrity is on her way. We will also carry several mobile medical "Super Clinics" in order to provide medical aid plus take our helicopter to assist operations. The ship will serve as a home base with housing and meal service for a team of relief personnel. For the Hait specific guidelines click here to download.

Supplies neededIf you have humanitarian supplies that you would like to contribute for Haiti, please email Debbie Maas at in Lake Charles to coordinate efforts. She will set up for receipt of the goods and you can click here on how to package them. Coordinate through our warehouse director only if the goods you are sending are for general distribution in Haiti for Friend Ships to distribute as we see fit.

If you have supplies you've collected that you would like taken to a specific ministry in Haiti, please contact Anne Reed at haitiearthquake@friendships.org prior to shipping goods. Her direct phone number is (337) 263–3110. Anne will send you the necessary paperwork that we can use to determine if it will be possible for us to help you.

Don't know if this will help anyone or not in your group but the Salvation Army has activated its SATERN net (Salvation Army Team Emergency Network) and is monitoring the following frequencies:

7.265.0 MHz LSB and 3.977.7 MHz LSB evening and night.

When the 20 meter band opens back up later today we will be listening and ready to assist on 14.267 MHz USB The actual frequency will vary up or down depending upon noise and so forth on the band.

For the first 72 hours or so, they will be taking disaster relief traffic from the area. In the interim, they have a health and welfare request section on their web site where folks can go to request information on family members in the affected area

Linn Area Long Term Recovery Coalition
Steering Committee Meeting
Thursday, July 10, 2008
7:30 a.m.

· Welcome & Introductions

o In attendance: Rich Mahaney (LC EMA), Brooke Lukes (Churches United), Ann Hearn (Linn County Community Services), Cindy Kaestner (Abbe Mental Health Center), Sarah Olson (United Way Hawkeye Labor Council), Edwin Hung (CorridorRecovery.org), Jane Drapeaux (HACAP), Leslie Wright (UWECI),Marcia Young (Iowa Disaster Human Resource Council), Liz Selk (Heritage Area Agency on Aging), Karen Goehring (Navigator), Angela Meisterling (UWECI & AmeriCorps VISTA), Amy Grunewaldt (Salvation Army), Larry Belmont (FEMA), Nancy Turnbull (FEMA), Karla Twedt–Ball (Greater CR Community Foundation)

· Approval of minutes

o Amendment: Cindy Kaestner

· Committee details

o Committee name by majority vote: Linn Area Long Term Recovery Coalition

o Approval of LALTRC by majority: The mission of the Linn Area Long Term Recovery Coalition is to provide collaborative leadership in order to strengthen area–wide ongoing disaster coordination in the affected areas. The LALTRC will share information, advocate for the most vulnerable, simplify access to services, and jointly resolve disaster caused human recovery needs.

o Review and approval of LALTRC bylaws by majority.

o Selection of officers by majority:

§ Chair: Leslie Wright

§ Vice–chair: Jane Drapeaux

§ Secretary: Ann Hearn

§ Treasurer: TBA at next meeting. Karla Tweedt–Ball will check with the GCRCF board to see if this position can be filled by GCRCF staff. The treasurer will manage grant money and will not mediate public fundraising at all.

o Subcommittee descriptions were lifted from the VOAD packet and are simply rough draft versions. Once each subcommittee forms, they will decide on their own description and goals.

· Meeting Schedule

o LALTR Steering Committee will meet regularly on Thursday mornings at 7:30 AM in room 125 of the Emergency Operations Center at Kirkwood beginning Thursday July 17, 2008.

o The larger LALTRC will meet at 8:30 AM on Thursday July 24, 2008 in room 125 of the Emergency Operations Center at Kirkwood following the Steering Committee meeting.

§ Please be able to report on the happenings at the agency you represent.

§ We will try to have a list of arranged training sessions by then

§ Each agency represented will be asked to identify which subcommittee they want to serve on.

o We should also try to have a case management meeting next week

§ Select a model for all case management

§ Identify houses that need case management

§ Some houses already have other people handling their case management. These people should be invited to attend our training sessions to instill case management unity.

§ CRWC should be contacted so they can come in first to assess the houses and direct our case management.

· Subcommittees

o Volunteer Coordination: Edwin and Leslie

o Finance (Donation and In–Kind $): Carla

o Case Management: Amy and Jane

o Community Assessment: All

o Crisis Counseling: Cindy

o Spiritual and Emotional Care: Brooke

o Construction Coordination: Sarah

o Communication: Ann Hearn and Amy Grunewaldt (will be the link between Case management and Community Assessment)

· FEMA update

o FEMA is no longer able to release information on individuals without release forms put together by individual agencies. Each agency must create its own release form following the guidelines put together by Larry Belmont and Nancy Turnbull.

§ Edwin Hung will draft a release form for the LALTRC, and this should suffice for each participating agency to gain access to an individual's FEMA information.

· General updates

o Crisis Counseling is up and running with 30 additional workers. There will be a Crisis Counseling training session in Des Moines next week.

o FEMA deadline has been extended to September 27, 2008.

o Metro High School will be opening up July 11, 2008 as a goods distribution center.

o ECI Volunteer Reception center is located on 1700 B Ave NE. To volunteer, call 319.540.4810. Call 319.540.4815 if you need help.

o Visit lcnrc.org à flood 2008–àfunder's chart (on right side bar) for a list of available funds and grants for agencies. Rockwell, Flood 2008, and Alliant have all posted available funds.

Food Bank Manager: Cathy Larson pffb @onehop.com

BOARD of DIRECTORS:

President /Director Tony Vandever Tony.vandever @Wamu.net
Vice President/Director: Una Hamilton unamonroyal @adelphia.net
Secretary/Director Sally Hart sallyh @inshoppe.com

The facility serves an average of 4,000 people from about 1,500 families each month, according to Larson.

Program Services:
The Post Falls Food Bank offers food to the needy of our community as part of 10 major programs. When we see a need we strive to fill it. Through collaboration and community efforts we have created these services:

Food Services:
Food boxes are available once a month to seniors and disabled people. Needy families receive a Food Box every 60 days. Everyone receives food weekly from the Food Surplus Recovery program. The Food Bank is open Monday through Friday from 9:00am to 2:00pm. We deliver food to approximately 20 homebound seniors.

Food Surplus Recovery:
Day old bread, fruit, vegetables, and other surplus food–stuffs are recovered from 15 major grocery chains in Post Falls, Coeur d'Alene, Liberty Lake, Spokane Valley and Spokane. This food is picked up seven days per week by a team of 5 drivers using the PFFB Van and private pickup trucks. Second Harvest and SYSCO assist in this program.

We share our Food Surplus Recovery with:
The American Legion Kitchen, Anchor House, Athol ABC Food Bank, church soup kitchens all over the county, Cataldo Light House Mission Ranch, CdA Food Bank, CdA Head Start, Cherished Ones Ministries, Children's Village, Gleaners, Post Falls Head Start, Post Falls Senior Center, Rathdrum Food Bank, Real Life Food Pantry, Single Mom's in Distress, Spirit Lake Food Bank, St. Vincent's Shelter System, the Women's Center and every viable request that comes our way.

Additional Programs:
In addition to food service we offer many other programs that help the needy stretch their budget and fill in the gaps. Seeds for Gardening – In March, we distribute seeds to anyone who would like to plant a garden. Referrals – We connect and refer our clients with other agencies that provide specialized services such as health needs, shelter, gasoline vouchers, home repairs, or myriad other emergency requests that arise. Vouchers – The Salvation Army and St. Vincent de Paul provide us with vouchers for bus fare, special foods, and medicines, which we distribute as needed. School Supplies– Our Back to School program is for all needy kids in Kootenai County. Wells Fargo Bank and specific grants and donations subsidize this program. Coats for Kids – October through March of each year, in collaboration with KXLY– Channel 4, we are an official distribution point for Coats for Kids. Hats, Gloves, Boots & Socks –We distribute hats and gloves supplied by the Lions Club and the Knit Wits. Now in its sixth year, Windermere Realty provides vouchers for boots. Senior Blankets – seniors receive a quilt in their Thanksgiving baskets as the cold weather sets in. St. George's Church, the Knit Wits, and the community provide the blankets and quilts. Holidays – Special foods are provided for Thanksgiving and Christmas baskets. A combined total of 831 holiday baskets were distributed over the two holidays. Century Publishing granted $500 towards this program.

Midwest Food Bank helps Kansas tornado victims
05/10/2007 15:47:35

They built their reputation by helping evacuees after Hurricane Katrina –– and now the Midwest Food Bank in Bloomington has been called to help after another disaster. The group is preparing to deliver a second shipment of food and supplies to Greensburg, Kansas, where about 1,700 people remain displaced after a tornado. President Dave Keiser told WJBC's Beth Whisman, the Salvation Army knows they can call them when they need help.

Kieser says the food bank has enough food to send to Kansas and still keep local shelves stocked, but he says household supplies like blankets towels and cookware are in short supply.

If you can help, call the Midwest Food Bank at:

(309)663–5350.

Mission:
It is our mission to gather large food donations from nationwide corporations and distribute them to social service organizations, free of charge, to help those in need. It is our goal to receive and distribute in–kind donations at no cost to those in need and to meet and maintain our own overhead.

Local:
The Midwest Food Bank serves over 350 nonprofit organizations locally. Being located in Central Illinois allows many nonprofit organizations and volunteers to take part in our monthly distributions and daily activities.

National:
With the recent disasters of Hurricane Katrina, Rita, and Wilma the Midwest Food Bank has felt the need to help out as much as possible. In response to Hurricane Katrina, the first semi–load of food was delivered to Hattiesburg, Mississippi, September 1. Since then loads have been delivered to Mississippi (Biloxi, D?Iberville, Pearlington, and Jackson), Louisiana (LaPlace, Alexandria, Lake Charles, New Orleans, Baton Rouge), Texas (Beaumont, Pasedena, Lufkin), and Florida (Clewiston).

In response to these natural disasters, Midwest Food Bank has partnered with the Salvation Army and has been identified as part of their ?1st Response Team.? Disaster relief efforts have also been conducted with the American Red Cross. We feel honored to serve those in need with these organizations.

International:
The Midwest Food Bank has also had the opportunity to serve internationally. With the help of a corporate sponsor assisting with freight costs, we recently sent shipments of dry food products to Christian Boarding Schools in Liberia, Africa. We will continue to be available and look for opportunities to serve internationally.

Services offered: Demographic Served: Low Income Folks; First Responder, Gulf Region; First Responder, MidWest Region; Food Distribution, Food Bank (This Site Supplies Food Pantries/Agencies)

From www.2008flood.org posted 11/23/08:

Pay it Forward Ministries and the Salvation Army has moved in together for operations in the recovery process of Henderson County. They are both located at 111 south 6th street in Oquawka IL.

After a thorough need assessment of the county residence's still impacted by the flood we have several immediate needs.

1.) As we start to face some winter months ahead. Most of the flood victims are still in a rebuilding phase. This means that some do not have any source of heat, and some are without shelter.

2.) Most warm clothing was either destroyed or has already been given away to victims.

3.) The food pantries are being overwhelmed and are running low on all supplies.For this we are asking for any and all help to replenish our disaster relief.

Needed supplies are:

1.) Winter clothing

(coats are a priority)

2.) Boots

3.) Gloves

4.) Food

(ranging from meat to can goods)

5.) Building supplies

(insulation, drywall, screws, nails, doors, windows, furnaces)

6.) Laundry detergent

7.) Dish soap

8.) Blankets

9.) diapers

All donations are tax deductible that are given to either the Pay it forward Ministries or The Salvation Army.

Monetary gifts or gift certificates/vouchers are greatly appreciated

All gifts and donations can either be mailed to PO Box 204 in Kirkwood IL 61447

Or Dropped off at

111 south 6th street in Oquawka IL

Thank you for your time and support,

Pay it forward Ministries & the Salvation Army

6/11/08:
Thousands of Indiana families are facing devastating loss today as flood waters and tornadoes have swept across the state over the last week. Your help in volunteering is needed now. Volunteer crews are beginning work today to help salvage possessions, clean out homes and help flood victims. You can volunteer in counties across south central Indiana. Volunteers and heavy equipment are needed for Friday and Saturday especially. Teams will be working for the next several weeks.

You can also help fill food and supply pantries. Donations of pantry supplies and cleaning products are needed.

You can also donate to HCRN to help us as our staff works with state officials and other volunteer organizations to bring help, hope and healing during this very difficult time.

Donations can be made on–line via credit card or mailed directly to our offices.

Hope Crisis Response Network – HCRN is a not–for–profit 501c3 organization located in Northern Indiana. The mission of HCRN during times of disaster is to: 1) coordinate and deploy volunteers, resources, and financial assistance to the affected areas; 2) serve as advocates to help victims obtain assistance from appropriate agencies and organizations; and 3) assist in devising and implementing post–disaster long term recovery plans for local communities.

Volunteers are the most valuable and vital resource for any recovery. It is not only our responsibility to provide well–trained volunteers but to equip them with the tools they need to do the job. The secret to having motivated volunteers is to be well prepared and take good care of them. We work within the community to make sure that each of our projects is well planned and managed in a safe and friendly working environment.

When a disaster is declared, HCRN is called upon to provide assistance in all four stages of a disaster:

Stage One– The Emergency
or the 1st Responder

Medical
Security
Food for distribution
Coordinating effective donations
Coordinating volunteer response
Establishing local partnerships

Stage Two– The Relief

Food distribution
Debris clean up
Roof tarping
Home repairs
Medical clinics
Advocacy

Stage Three– The Recovery

Advocacy
Long Term Recovery Committee
Rebuilds

Stage Four– Hazard Mitigation
Community Education

The Salvation Army Warns of Bogus Email Appeal For Japan Relief Donations

March 17, 2011

Atlanta, GA – The Salvation Army is warning donors to beware of a bogus email appeal which asks for donations to The Salvation Army's Relief efforts in Japan (SEE ATTACHED EMAIL AT BOTTOM). The appeal, claiming to be from "Salvation Army National Corp.," urges donors to send a donation to an email address which IS NOT a valid Salvation Army address. The scam uses actual language such as The Salvation Army Mission Statement, history, and programs, which has obviously been taken from legitimate Salvation Army sites. It even lists The Salvation Army's International web address, all in an attempt to trick donors into believing that the email is legitimate. Those interested in The Salvation Army's relief efforts are encouraged to visit The Salvation Army USA's national website at www.salvationarmyusa.org.

Salvation Army personnel are organizing efforts in Tokyo and will soon send a team to help the severely damaged city of Sendai, Japan. To contribute to earthquake relief, text 'JAPAN' or 'QUAKE' to 80888 to make a $10 donation or visit SalvationArmyUSA.org.

For those of you wanting to help The Salvation Army's earthquake relief work in Japan, you can support our efforts in several ways:

* Donate online at donate.salvationarmyusa.org
* Call 1–800–SAL–ARMY
* Text the words "Japan" or "Quake" to 80888 to make a $10 donation. (Please ensure that you respond "YES" to the Thank You message you receive.)

Thank you for generous support and continuous prayers for those in Japan. To learn more about our relief efforts, click here.

Gifts In–Kind: At this time, The Salvation Army is not accepting in–kind donations from the general public. It is extremely difficult and expensive to ship in–kind donations overseas from the US to Japan. It is more efficient for disaster relief agencies to purchase needed resources locally and for immediate distribution with the disaster area. The best way for U.S. donors to help Japanese disaster survivors is to make a cash donation. Please note that your local The Salvation Army continues to accept donations of used clothing, furniture and other items to support local programming. Please consider donating your used items to your local Salvation Army Thrift Store.

Update: Want to support The Salvation Army's response in Japan? Click here to learn how.

Following news of the massive earthquake and tsunami in Japan, The Salvation Army in the USA is staying in contact with The Salvation Army in Japan. Our thoughts and prayers go out to all those affected by this unimaginable disaster.

Commissioner Makoto Yoshida of The Salvation Army in Japan described it as the largest earthquake in the last 100 years. He reported the most damaged city is Sendai, which is about 400 km away from Tokyo.

We've learned from him that they are sending a team to Sendai tonight and tomorrow will start providing basic necessities, as well as assessing the level of damages and what they can do.

In Tokyo, because the whole public transport shut down and stranded many commuters, The Salvation Army opened a section of their Territorial Headquarters building for those who could not get home. The Army served them hot drinks and meals.

Kiowa County/Greensburg Public Information Update
As of 5/17/07, 9 a.m.

(This information is being transmitted to Greensburg area residents on 1610 AM information)

CONTRACTORS MUST REGISTER: at Greensburg City Hall located at the Southeast corner of the courthouse between 9:00 a.m. and 5:00 p.m. No contract work will be performed without registration and/or license. Contractors are responsible to hauling the debris from the jobsite.

DEBRIS REMOVAL: Residents are responsible for removal of debris from their property. Government haulers will not remove debris from private property. Debris also should not be placed on or near utilities. Call Greensburg City Hall if you have questions related to debris removal at 620–723–2751. Residents can also call the United Way at 211 if you need assistance in cleaning up your property or removing debris.

JOBS AVAILABLE: FEMA is hiring locally for the Greensburg recovery operations. Currently only Greensburg residents are being considered. However, applications are being accepted from all who wish to apply. Call 770–216–3156 or 417–234–3798. You can also visit Jim Tumser at the Haviland Disaster Recovery Center at Barclay College.

WATER SERVICE RESUMING SOON: Officials will be turning on and testing the water lines North of Florida Street today.

Do NOT drink, shower or bathe with the water until officials announce that it is safe to drink.

Contact City Hall at 620–723–2751 to report leaks

In order to speed up the process of getting potable water restored please do not pile debris on top of water meters
FARM FIELD DEBRIS: Those needing their farm fields cleared of debris should call 314–313–4779 or visit the Volunteer Reception Center at Davis Park.

PROGRESS REPORT:

1,600 loads of debris were taken to the landfill today bringing the total to nearly 8,300

The EMEDS hospital opened today. It is located on US 54 across from the John Deere dealership

Firefighters are making temporary street signs

Electrical power is being restored as quickly as possible

Volunteer Reception Center has processed over 1,215 volunteers who have worked 8,600 hours

There will be increased police patrols in Haviland and Mullinville
Offices for county government are being installed on the west side of the courthouse

PLACARDS REQUIRED IN VEHICLES: Police will be issuing placards that are required to be visible in the windshield for all citizen, volunteer and contractor vehicles. All vehicles must stop and check–in with police at checkpoints to be issued a placard.

SAFETY UPDATE:

Curfew remains in effect from 8:00 p.m. to 8:00 a.m.

You must obey all traffic laws. Law enforcement officers will be strictly enforcing speed limit and other violations.
Be cautious of downed power lines, and treat them as if they were live.

When parking on the roadway, leave room for emergency vehicles and large military vehicles.

While working take frequent breaks in shaded areas and drink plenty of water.

If you feel dizzy, nauseated or experience vomiting you may have heat exhaustion and should seek immediate medical attention.

Due to a lack of shelter in Greensburg, all residents will be asked to evacuate the town to seek shelter if hazardous weather approaches.

Burning is prohibited in the City of Greensburg and highly discouraged in rural areas during times of high winds.

If you witness any arcing power lines, immediately dial 911 or contact the nearest emergency worker

If you find an item that may be dangerous, leave it where it is and notify the nearest law enforcement officer.
Do not enter any building that appears unsafe

Those working in dusty conditions must wear respiratory protection. These masks are available at the Kiowa County Health Department
AVAILABLE FUEL: The fuel point in Greensburg off US 54 is for first responders only. Fuel at this location is not available for any other use.

COMMUNITY EVENTS:

Greensburg Graduation will be held Saturday May, 19 at 10:30 a.m. for 8th Graders and 11:00 a.m. for seniors at the Golf Course. For more information call the Greensburg School District at 620–675–8836 or e–mail Greensburg@swprsc.org

There will be a funeral service for Harold Schmidt Thursday at 2:30 p.m. at the Haviland Friends Church followed by a burial at Fairview Cemetery in Greensburg.

Attorney General Paul Morrison will be visiting Greensburg today. He will hold a press conference to address potential scams and price gouging.

Kiowa County Commission will be meeting every Monday and Thursday at 10:00 a.m. at the Mullinville High School.
Haviland schools will be hosting a “fun day” for Kiowa County students and staff May 23rd from 9:00 a.m. to 2:00 p.m. at the Haviland High School football field.

There will be free fencing and fence posts available for those that sustained damage to these items due to the storm Friday at 7:30 a.m. at Pratt Livestock

There are several items of livestock food available for free. If you are interested call 620–723–2897.

All residents that were being housed at the Mullinville shelter have relocated to the shelter in Buckland.

VEHICLE REMOVAL: Damaged or destroyed vehicles in Greensburg that were tagged are being moved to the south landfill.

Owners are NOT responsible for the tow fee to the landfill.
Owners need to coordinate with their insurance company for removal of vehicle from the landfill.

To inquire about a vehicle that was moved call law enforcement command at 785–243–0852.

HAZARDOUS MATERIALS: Separate hazardous materials and white goods from debris and leave at the curb for removal. This includes appliances, air conditioners, batteries, paint, pesticides, aerosol cans, propane and compressed gas cylinders. These items will be removed by the EPA.

HAZARDOUS SPILLS: Call 911 if you encounter a hazardous spill or leak. If containers are damaged or leaking, do not handle. You can also contact the EPA Spill Line at 913–281–0991.

WASTE FOOD: Place waste food items in trash bags and leave at the curb. Garbage trucks will be picking up and removing this waste.

GARBAGE BAGS: Garbage bags for putting waste food in for pick–up are available at the Convoy of Hope, the Scientology tent and the Salvation Army on the east side of the County Courthouse.

MENTAL HEALTH: To reach a mental health professional call 785–313–6359

INSURANCE COMPLAINTS: To file a complaint against a private insurance company with the Kansas Insurance Commissioner call 1–800–432–2484.

CHILD SAFETY SEATS: Contact the Kiowa County Health Department for Child Safety Seats at 620–338–4544.

KIOWA COUNTY OFFICES: are set up at Mullinville High School from 9:00 a.m. to 4 p.m. daily.

GREENSBURG CITY OFFICES: Are located in trailers southeast of the County Courthouse. They will be open from 8:00 a.m. to 5:00 p.m. daily.

STRAY ANIMALS: To report a stray or dead animal or to inquire about a missing pet, call 620–723–2897. All found animals will be at the Pratt County Humane Society, where they will be held for 30 days. For animal boarding needs call 620–672–6777.

VOLUNTEERS: Individuals to volunteer must call 211 (in state) or 1–888–413–4327 (out of state) prior to arrival. Ameri Corp is organizing groups wishing to volunteer. Group leaders must call 314–313–4779.

LOST GUNS: The gun trailer at the KDOT building in Greensburg will be open from 10:00 a.m. to 4:00 p.m. Monday through Friday. Individuals wanting to claim firearms should bring a photo ID, address information and description of the firearm. Serial numbers are preferred and criminal histories will be run on all persons claiming firearms.

LOST AND FOUND: Lost and found items can be turned in and picked up at the Temporary City Hall located southeast of the Kiowa County Courthouse.

AIRSPACE OVER GREENSBURG: is restricted to official aircraft only. Please report unauthorized aircraft to the nearest law enforcement officer and obtain the tail number if possible.

GREENSBURG MAIL: All Greensburg mail is being forwarded to the Pratt Post Office. Residents and businesses in Greensburg may register for a free post office box at the Pratt Post Office.

DISASTER ASSISTANCE: If you have been affected by the disaster in any way, call 1–800–621–FEMA and visit the Disaster Recovery Center known as “the one stop shop,” set up at Barclay College in Haviland. Visit the center or call 620–862–7750 for assistance from: The Kansas Department of Revenue, Department of Health and Environment, SRS, Department of Labor, Veterans Administration, SBA, FEMA, Salvation Army and Red Cross.

Please note: You do not have to wait for insurance payments before contacting these agencies or visiting the center.

SHELTERS/RED CROSS/KIOWA COUNTY, KS:

Greensburg originally set up a shelter at Barclay College, but it became so crowded they have been moving those people to a shelter at Haviland High School.

The Macksville shelter set up at St. John Oddfellow Lodge at 700 West 1st St. has been closed due to lack of residents. Those rescue efforts have been moved to Haviland to help with the shelter there.

Another shelter has been set up at the Mullinville High School in Mullinville.

MESSAGE FROM GREENSBURG SCHOOL STAFF/USD422:

by STAFF
May 05, 2007

THE AMERICAN RED CROSS HAS SET UP RELIEF STATIONS IN MULLINVILLE AND HAVILAND TO AID THOSE AFFECTED BY THE TORNADO THAT DEVASTATED GREENSBURG, KANSAS ON MAY 4, 2007. IF YOU ARE ATTEMPING TO REACH A LOVED, PLEASE CALL HAVILAND HIGH SCHOOL AT 620-862-9890.

PLEASE CONTINUE TO PRAY FOR ALL OF THOSE WHO LOST THEIR LIVES, THEIR HOMES AND THEIR FAMILY MEMBERS.

The administration of GHS would like to send the message of hope and perseverance. In the spirit of not dropping our heads and letting this tragedy get us down, GHS would like to encourage the Ranger student athletes to continue to compete in their respective sports. We would also like to relay to seniors that we will hold a graduation ceremony. Details about graduation will be posted as soon as we get everything arranged.

Due to the fact that everyone is scattered, we will attempt to keep as many people up to date right here on usd422.org. We will be posting leave times and a place of meeting as soon as we know something concrete. Here is what we know as of Sunday night (5/6/07):

-the softball game scheduled for Monday has been cancelled

-the league golf tournament scheduled for Monday has been moved to Thursday, May 17. Departure TBA.

-the league track meet scheduled for Friday is still on. Every attempt will be made to contact as many track athletes as possible. Departure TBA.

We are also in contact with a sporting goods chain and other possible assistance for those athletes needing items such as shoes, clubs, clothes, etc.

Any questions may be sent or called to Marshall Ballard at marshallballard@usd422.org, 620-862-5621, or 620-388-2880.

Golf team can contact Coach Roe at 620-532-1043.

Track team can contact Coach Hoover at 620-324-5455. Again,

I will do my best to keep the site updated as new information becomes available.

Contact Marshall Ballard at:
marshallballard@usd422.org
620-862-5621, or 620-388-2880 to donate sports equipment and uniforms for students who lost everything and are still participating in school sports events.

NOTE: Greensburg Schools are shut down for the remainder of this '07 school session. Graduation Ceremony details to be announced.

The Adventist Community Services Disaster Response Team from the Kansas–Nebraska Conference (John Treolo, Kansas–Nebraska ACS Director, and Janice Weeks, Kansas–Nebraska ACS Disaster Relief Coordinator) arrived on Monday, May 7. A warehouse/distribution center has been set up in Pratt, Kansas (32 miles away) in the old J.C. Foods Building at 201 S. Jackson Street. It is a joint operation between Adventist Community Services, Kansas Food Bank and the Salvation Army. Adventist Community Services organized and is currently managing the warehouse/distribution center until May 24, when the Salvation Army will assume management and continue services.

UPDATE/VOAD MEETING NOTES – 5/22/07
http://www.ksvoad.org/pdf/5_22_2007%20VOAD%20NOTES.pdf:

Bryan Walker:
Still diverting donations to the KS Food Bank in Wichita to avoid overwhelm. KS Food Bank will be available for long term needs and supply food for as long as it takes. In addition to, rakes and wheelbarrows are being sent from KS City.

From the KS FOOD BANK website:

In addition to donations of money, a limited amount of supplies is being sought for the victims of last weekend's tornadoes.

Bath towels, for example, are needed by people even if they're staying with relatives, said Monique Garcia, a volunteer working with the Salvation Army in Haviland.

Denture cleaner is another item that has been requested by the older population of Greensburg than, say, the diapers that have already been donated, she said.

But kind–hearted people should keep in mind that the population of Greensburg is small, and if one person donates a case of denture cleaner, that will probably do it, said Brian Walker of the Kansas Food Bank, which is serving as a drop–off site for the items. People can call ahead before donating items to be sure they are still needed, Walker said. The phone number is:

316–265–4421.

The Food Bank, 1919 E. Douglas in Wichita, is storing the goods and sending them out as they're needed, controlling the amount that is delivered to Haviland, where storage space is limited, Walker said.

"That eliminates a disaster within a disaster," he said.

No clothing is being accepted for donation. Deliveries can be made to the Food Bank from 6:30 a.m. to 7 p.m. through Saturday. If you want to take something out Sunday, call first.

Here is the list of needed items. They should be new, not used.

? Bath towels

? Bedding

? Pillows

? Laundry detergent

? Dog and cat food

? Denture cleaner

? Canes

From the KS East Conference United Methodist Website:

Kansas Food Bank coordinating donations

The Kansas Food Bank is coordinating donations of food and supplies for the Greensburg area in cooperation with the Salvation Army and other volunteer organizations, including Church World Service and the United Methodist Disaster Response from the Kansas Area.

Items requested include:

#10 cans of non–perishable food
Work gloves
Trash bags
Snack food
Personal care items
Cleaning supplies
Rakes
Shovels
Tarps

NO CLOTHING PLEASE

Items may be delivered to the Kansas Food Bank at 1919 E. Douglas in Wichita. For questions, contact the Food Bank at 316–265–4421.

Katrina Aid Today's Guiding Values for Humanitarian Relief

UMCOR's Guiding Values for Humanitarian Relief Work

UMCOR is the humanitarian relief and development agency of the United Methodist Church, a worldwide denomination. For 65 years UMCOR has responded internationally to natural or human made disasters—those interruptions of such magnitude that they overwhelm a community's ability to recover on its own.

UMCOR's mission is to alleviate human suffering. We provide practical, proactive support to the most vulnerable survivors of chronic or temporary emergencies due to natural or civil causes.

UMCOR honors cultural differences. We deliver aid to people without regard to race, religion, politics, or gender. We seek input from local communities in identifying needs.

All people have dignity and worth. The most essential partner in UMCOR's work is the beneficiary, the ultimate end–user of our service. There are no "victims" in our vocabulary. There are only survivors whose courage, along with a humanitarian helping hand, can transform communities.

UMCOR always works with partners—usually in local settings. Civic organizations, faith communities, school leaders and other local resources are great assets to sustainable recovery and development, particularly after massive traumatic events. They exist close to the beneficiary and will continue to serve as positive influences in the community after UMCOR's work is complete.

UMCOR is a good steward of our gifts and grants. Private donors can designate their gifts to our programs with the assurance that 100% is spent on the programs. The 8.5 million members of the United Methodist Church assure our ability to guarantee this through undesignated giving that underwrites our general administrative expenses.

UMCOR manages its public grants with equal care, spending less than 10% on administrative costs.

UMCOR avoids tying the promise of its relief and development activity to any religious or political viewpoint.

UMCOR welcomes the good efforts of countless individuals and churches who support us through gifts and prayers and service. We incorporate volunteer action everywhere we can and ask our supporters to accept that sometimes it is not appropriate. We appeal to all volunteers to keep learning as their first objective so that the consequences of their service may become a true benefit.

9/1/08 FROM THE WEBSITE:

In the event that Hurricane Gustav has a dramatic impact on the Bogalusa area, we will:

Post updates on the type of damage that has occured and the present condition of the city

Provide information on how our partners might best be able to assist this community if they feel led to do so

Begin to coordinate and facilitate any groups that might be interested in partnering with us to make a difference for Christ in tangible, practical ways

How are we preparing now:

We are meeting with city and parish officials every morning at 9 AM to make necessary, coordinated plans to ensure that we can effectively respond to any disaster that might occur

Pastor Marcus, Westside Emmanuel, has already made arrangements with the disaster relief teams from the Salvation Army who partnered with Westside as first responders after Katrina. These folks will provide hot meals to our community (last hurricane they served over 1000 meals a day). Westside will also serve as a distribution site for dried goods, water, and personal items.

Pastor Bob Adams, FBC Bogalusa, has secured a feeding unit from the SBC, along with a chain saw crew if activated to our area

Local pastors have met and begun to establish procedures for communicating with one another in the event that we lose phone capabilities again

Serves: Bogalusa, LA (10 mile radius)

FROM THE UNITED WAY SITE 6/10:

United Way Impact Partners At Work

St. Bernard Project, a United Way partner agency, is responding to the spill by expanding their mental health clinic to Lower St. Bernard and Plaquemines and creating jobs for fisherman through their Good Work Good Pay (GWGP) program. The Center for Wellness and Mental Health will have increased hours of operation and will attempt to hire local shrimpers and/or their spouses as community outreach workers and peer counselors. The GWGP program will hire, train and pay livable, union-level wages with full benefits to local fishermen affected by the oil spill (as well as other local under- and unemployed individuals and war veterans.)

The Oil Spill and SBP (From the site)

The immediate ramifications of the oil spill and the long-term impact will result in mental health problems for the residents of St. Bernard, Plaquemines and Orleans parishes reports Michelle Many, Licensed Clinical Social Worker and Professor in LSU's Department of Psychiatry. The recent oil spill has already brought a blow to the prolonged recovery from Katrina, and LSU clinicians report that residents are suffering from re-traumatization. "Much research has shown that people who have a history of PTSD (as a quarter of Katrina survivors do), have an increased risk to develop PTSD again."

Uncertainty about the scope of the spill and the impact on residents' livelihoods, is causing increased stress. Receiving assistance checks makes many fishers feel a sense of shame. These feelings, along with the loss and anxiety about the worsening situation in the Gulf, can be triggers for major depression, anxiety and other acute mental health problems. Finally, because many shrimpers and fisherman are self-employed, they do not have health insurance and cannot afford to seek services from the other mental health providers in the community.

Via focus groups, we have learned:

1. fishermen are desperately afraid that they will not be able to support their families, and that generation-surviving employment, lifestyle and recreational pursuits will be forever foreclosed;
2. fishermen are staying away from home because they fear they will contaminate their families if they participate in cleanup and

because they do not know how to healthily communicate with their family members about their anguish;
3. wives/partners do not know how to communicate with their husbands/partners to allay their own fears or to sooth/comfort their husbands;
4. suicidal ideations, debilitating anxiety and depression are increasing dramatically for people whose lives intertwine with a water–based culture; and
5. residents are amenable to receiving mental health and wellness services because they know that their current mental status will further debilitate them.

SBP's Proposed Solutions: Expand mental health services and create jobs

1. Conduct training and provide support for a Peer–to–Peer wellness and counseling program using a model that was effective post 911 in NYC;
2. Provide 42 additional clinical hours of free licensed mental health and wellness services
3. (one–on–one and group sessions) in current Chalmette location of our Center for Wellness and Mental Health; Replicate our Center for Wellness and Mental Health in Lower St. Bernard and in Plaquemines Parish and provide at least 70 clinical hours each week in each location;
4. Hire wives and family members of fishermen to conduct community outreach and referral services.

FROM THE SITE:

St. Bernard Project's Center for Wellness and Mental Health

Three years after Hurricanes Katrina and Rita rendered uninhabitable all 27,000 homes in St. Bernard Parish, less than 50% of the population has returned. Even for those who have returned, many are not yet living in their homes. Nearly 2,000 families still reside in FEMA trailers, and thousands of others live in FEMA/DHS supported housing (ending in March 2009) or in over–crowded family houses. In St. Bernard nearly 75% of the 25,000 homeowners did not have adequate insurance. These homeowners, following the recommendations outlined by FEMA’s flood maps, did not purchase flood insurance because they were told that their communities were not at risk of flooding.

Nearly two years after the federal government initiated its Road Home program to help families return and rebuild, an unacceptable number of homeowners are still waiting for assistance. According to a report published by the Brookings Institution in August 2008, only 70% of all qualified applicants for federal Road Home assistance have received funding through the program. To further compound the problems with the Road Home program, an independent study determined that the majority of Road Home recipients did not receive sufficient funds to rebuild. The small size and slow pace of the grants being awarded has resulted in an unnecessarily slow recovery for residents in St. Bernard Parish.

St. Bernard Project's Rebuilding Program is succeeding where others have failed. Our program serves financially challenged clients in three categories: elderly, disabled, and families with small children. By utilizing volunteer labor, skilled supervisors and affordable building supplies, we are able to return clients to their homes by completing volunteer labor in just 12 weeks. The cost to the Project is approximately $12,000 per home. To date the Rebuilding Program has completely rebuilt 167 families’ homes. We are currently at work on more than 30 damaged homes.

In order to further contribute to the health and stability of the area, SBP developed a partnership with LSU to open the Center for Wellness and Mental (CMWH). The CWMH will be offered from a private section of the St. Bernard Project’s office, a place that residents have visited to access our Rebuilding Program and in which they have developed strong institutional thrust. By operating the CWMH under the same roof as the Rebuilding Program, residents will benefit from a one–stop shopping model that will minimize the stigma that is often associated with accessing mental health services.

The CWMH will begin offering services January 19, 2009 for participants in the St. Bernard Project and other St. Bernard residents including children, adolescents, adults and families. The CMWH will offer both group and individual services including The Welcome Home Program, which will be available to all new participants/families of the St. Bernard Project as they begin the rebuilding process to encourage and support the “psychological rebuilding” that optimally should accompany the structural rebuilding of homes.

St. Bernard Project's Good Work Good Pay Program PDF Print E–mail

SBP recognizes the immense value of our 20,000+ volunteers. The work they have done in the past and will continue to do in the future is a vital component of our mission. However, we realize that a disaster relief model relying solely on volunteers –– and a disaster relief model that takes four and a half years (and counting) to return families to their homes can become even more effective. SBP believes it has found an innovative and replicable solution.

Our newest program, the Good Work Good Pay (GWGP) Program, will hire returned war veterans and other local under and unemployed individuals to build and rebuild affordable housing units. We will pay our new employees livable, union–level wages with full benefits. This will give us the skilled and consistent workforce needed to not only rebuild homes more efficiently for those who owned their homes before Hurricane Katrina, but also to create brand new affordable housing for our lowest income clients.

GWGP will not replace the volunteer–driven rebuilding model that is so essential to our mission but, rather, will work in tandem with it. By using the two programs to complement each other, SBP will be able to keep costs low while substantially increasing the number of units it can complete in a single year. In 2009, SBP was able to return 100 families home. In GWGP's first year, we anticipate completing a minimum of 186 homes. In that same first year, SBP will create over 30 living wage–paying jobs for veterans returning from the wars in Iraq and Afghanistan.

Executive Director, Zack Rosenburg, explains how SBP arrived at this innovative solution: “In New Orleans there is an unmet demand for 20,019 affordable housing units and at the same time, we have an unemployment crisis which is amplified in the case of veterans. One in nine veterans are currently unemployed. Our country’s returned veterans are not just statistics – they are people who have faced great danger and put themselves at great risk during their tours of duty. This is a solvable problem and we intend to solve it.”

Veterans face a variety of challenges when trying to reenter the workforce upon returning home. Robert Pearson, 23 years of age and a former paratrooper explains, “A job counselor once told me that some employers consider a military record ‘almost like having a felony’ because of the negative, unstable emotional health issues associated with armed service.”

While many employers avoid hiring veterans, SBP sees this as an incredible opportunity. A recent study showed that 88% of veterans surveyed said that disaster relief is something they, personally, consider to be “very important” as they move forward in their civilian lives.

“True, some may suffer from post traumatic stress disorder,” admits SBP’s Director of Construction and himself a veteran, Jim MacQueen. “But veterans are mature, accustomed to following directions, understand the advantages of teamwork, are problem solvers and I am so excited to begin working with them. It will do great things for our organization.”

Zack believes SBP is creating a program that can be replicated around the country. “While our city had the misfortune of Katrina, cities across the United States are struggling with the same blighted properties, high unemployment rate, and lack of affordable housing as New Orleans. We believe we are creating a model for recovery that will not only help New Orleans and other natural disaster–affected areas, but will also help any city suffering from the deterioration that accompanies economic disaster.”

The St. Bernard Project is a grassroots, nonprofit rebuild organization that provides direct rebuilding, financial and community support to families in St. Bernard Parish, La. who were displaced and devastated by Hurricanes Katrina and Rita. Our mission is to break down barriers that hinder families from returning to their homes and community.

The St. Bernard Project offers the following services to residents of St. Bernard Parish:

Support A Family Network: Provide building supplies (mainly drywall, roofing and electrical materials) and/or volunteer assistance to help families rebuild their homes.

Tool Co–op: Loan tools and equipment to residents.

Community Center: Provide vital meeting, leisure and computer use space for residents whose community centers have disappeared.

How You Can Help

How can we do this ?

With the help of other non–profit organizations in our community....

Donations (from those who have already stayed here and those not able to come and help) and lots of need for volunteers in this area.....(You will not be asked for a donation but you are welcome to give)

When we first got into the volunteer project one of the first things that came to our attention was the need for housing these volunteers !! We had MANY volunteers willing to come to this area to help the only problem was there was no where for them to stay.

We had lots of opportunities to sign them up with but still no place for them to stay!!!

We had people calling us everyday CAN we come help? Yes you can. Was our answer! Their very next question was is there anyplace for us to stay?

Our problem was not if they could get here, if they could feed them selves, or if they were willing to work hard when they got here! It was simply....WHERE WOULD THEY STAY??

Most of our churches and other organizations were full to capacity and running over and also very drained...

What was the answer...

A HOUSING CENTER....that could hold these volunteers..... Not only to have a place to sleep but to have a place to cook shower and relax after a hard day of work in the Louisiana heat.....

Want to VOLUNTEER come to .....Southwest Louisiana....Where we need...a HAND UP not a HAND OUT!

The History:
Since the initial landfall of Hurricane Katrina, a growing number of agencies from the public and private sector have been working together to help meet the needs of recovering residents located in the Greater New Orleans area and those who have been displaced elsewhere. GNODRP was formed in November of 2005 and has become a collaboration of 60 plus agencies from the Interfaith, Non Profit and Government sector, strongly committed to assisting people devastated by Hurricane Katrina.

General Membership includes:
–Representatives from each participating parish long term recovery committee
–Religious/Faith Based Organizations
–Disaster Response Agencies
–Social and Human Services Agencies
–Government Liaisons
–Advocacy Groups

Guiding Principles:
–Local focus and involvement - Information and creativity fostered by the Parish Committees
–Interfaith and Community based – others included
–Local leadership - expanded and developed
–Unmet Needs addressed
–Decisions driven by data - accurate population studies and needs assessments

GNODRP Information gathering / sharing is currently being established between agencies to track the progress of individuals and families. Through this collaboration,

funding entities are working together to bring in more resources to help meet the needs of area residents.

Hurricane Isaac Response and Recovery

How To Volunteer

As residents of New Orleans and its neighboring parishes pull together to recover from the effects of Hurricane Isaac, HandsOn New Orleans is launching an online Volunteer Opportunity Calendar and will host a statewide, virtual Volunteer Reception Center. HandsOn New Orleans is certified by the Louisiana Serve Commission to act as the official Volunteer Response Center for southeast Louisiana during emergencies. Since the storm, HandsOn New Orleans has reached out to several nonprofit partners and other groups seeking support to compile post–Isaac recovery project opportunities in one place.

Massachusetts Tornado Help – Call 211
Posted on June 2, 2011 by admin

Thank you to all who have contacted Massachusetts VOAD to help victims of yesterday's tornadoes with donations and services. Coordination of all help and donations is now running the United Way's 211 service so please call 211
You may also donate to Mass. VOAD member organizations if you wish. They are linked under "organizations" on this web site.
Sincerely,
Chris Farrand (Chair), Luis Matnog (Vice–Chair), Kevin Hall (Secretary)

Below is an update (June 2, 2011) on the Massachusetts Tornado situation from FEMA (Federal Emergency Management Agency)

Massachusetts Tornadoes, Wednesday, June 1, 2011

At around 4:30 EDT on Wednesday, June 1, 2011 a line of severe weather crossed from western part Massachusetts heading east. Damaging tornadoes passed through the Springfield area. A second tornado is reported to have later struck the same region. It was reported that hundreds of homes were damaged and thousands of trees were down.

Massachusetts Governor Deval Patrick declared a state of emergency effective at 7:10PM on June 1. Nineteen (19) communities are reported affected including the towns of: Westfield, Springfield, West Springfield, Monson, Agawam, Charlton, Oxford, Palmer, Sturbridge, and Wilbraham, among others. The Governor has directed that all non–emergency Executive Branch employees living or working in Hampden, Hampshire, Franklin and Worcester Counties should not report to their workplaces Thursday, June 2. In addition, 23 schools were closed and 21 businesses in the affected communities on Thursday.

The National Guard has called up approximately 1,000 troops to assist in rescue and response efforts. Troops are being dispersed from three locations, one in Springfield, one in Ware, and one in Worcester.

At least four people have died as a result of the tornado. One person was killed in West Springfield when his car overturned, two in Westfield, and one in Brimfield. Details of those 3 fatalities have not yet been released.

Jane Albert of Baystate Medical Center told 22News that the hospital is caring for 25 people who are injured, 10 of whom are in the trauma unit. There are at least 20 other reports of injuries.

In Springfield, Mayor Domenic Sarno said that the South End, East Forest Park, and Sixteen Acres were the sections of the city that were hit the hardest. The Indian Orchard neighborhood also saw damage.

There was a total of more than 60,000 power outages in communities serviced by Western Massachusetts Electric Company. As of 8:49am Thursday, June 2, about 14,000 are still without power. Sandra Ahern from Western Massachusetts Electric Company reports that there are more than 80 utility poles down in the Sixteen Acres and East Forest Park neighborhoods, where she said that they do not anticipate power will be restored for a couple of days.

Voluntary Agency Efforts

Local volunteers are currently supporting relief efforts in Springfield and communities throughout the jurisdiction with sheltering, canteen and mental health counseling.

The American Red Cross reports 5 open shelters as of Thursday morning, with populations in each. Of the 5 shelters reported open, the Red Cross is managing 2 in Springfield, and 1 in Monson. In addition there are 2 Red Cross–supported shelters in collaboration with local emergency officials, and 1 community shelter that the Red Cross is looking to assist with. The Mass Mutual Center in Springfield reported approximately 400 people being sheltered at its height late Wednesday night, with approximately 200 people remaining this morning. There are approximately 45 people at the West Springfield location and 35 in Monson. Pet sheltering has not been set up at any of the shelters as of Thursday morning.

The Red Cross is supporting feeding efforts at the open shelters, in addition to feeding approximately 300 first responders at the Basketball Hall of Fame in Springfield, in collaboration with the Salvation Army, and approximately 150 first responders in Monson. The Red Cross is not engaged in mobile feeding at this time.

The Salvation Army has set up a canteen service at the Command Post in Westfield to support first responders, and a canteen is also stationed in Brimfield. Canteen drop offs are occurring in Monson. The Salvation Army is also supporting canteen efforts at the Basketball Hall of Fame in collaboration with the Red Cross. The Salvation Army is beginning mobile canteen services, driving around affected communities, and providing psychological first aid as of 10am Thursday morning. 11 volunteers are currently engaged in Salvation Army activities, with approximately 5 additional volunteers working in the kitchens to prepare meals. 2 facilities in Springfield are on standby as possible temporary shelters if needed.

SPRINGFIELD, Mass. (WWLP) – In the aftermath of Wednesday's tornado damage , several major Western Massachusetts roads are closed for the Thursday morning commute. Here is a list of some major roadways that are closed.

SPRINGFIELD:

· Avoid downtown in general, South End; the less cars on the street the better for emergency crews working to assess threats (power lines, gas leaks) and remove obstructions (tree, debris)

Major closures:

· Plumtree Road from Allen Street onwards– impassible

· Main Street from State Street and southward

· Tinkham Road

· Parker Street from Wilbraham Road to Cooley Street

· Island Pond Road from Allen Street to Roosevelt Ave

WEST SPRINGFIELD:

· Union and Main run parallel– this is where the main impact occurred; basically the path of the tornado itself– this area is called the Merrick section of W. Spfld

· From Park and Union to Park and Main

· Union St. from Memorial Ave. to Park St.

· Main and Memorial

· All closed to all except emergency vehicles

· Police are essentially sealing off that entire area

· All obstructions are contained within that grid

WESTFIELD:

· Shaker Road– closed from Little River Road to Cardinal Lane

· Shaker Road closed at Canal Drive when coming in from Tannery Road/Ponders Hollow

· Entire section of Pontoosic Road from Feeding Hills Road to Crescent Circle (nearly the entire run of this road in the city)

WILBRAHAM:

· Tinkham Road is closed from Stony Hill Road to Bolles Road

· Monson Road is blocked–off from Main Street to Ridge Road

· Main Street and Stony Hill Road are open, but you are asked to use extreme caution

MONSON:

· Just avoid the entire downtown area of Monson

· There was significant damage to police building

BRIMFIELD

· Route 20 closed through the entire length of town

· Route 19 closed for the entire length of town

First contact should be through the Boston office of the Salvation Army – 617–542–5420, ext. 512.

Of if the individual seeking assistance is an Acton Resident, they can call the Acton Council On Aging at 978–264–9643.

Eligibility:
(see http://www.magoodneighbor.org/assistance.html for current version):

Household
Size Total Gross Yearly Income

1 $20,420 to $28,078
2 $27,380 to $37,648
3 $34,340 to $47,218
4 $41,300 to $56,788
5 $48,260 to $66,358
6 $55,200 to $75,928
7 $62,180 to $85,498
8 $69,140 to $95,068

For each additional person, add $6,800 to $9,350

Emergency Grant Applications will be accepted starting December 1, 2007. All other Grant Applications will be accepted starting January 1, 2008. The grant per eligible household is $275 per season regardless of amount owed. Grants for a household must be paid directly to the vendor(s).

From their website:

Q. If there are other programs available, why is the Good Neighbor Energy Fund needed?

A. The federal and state energy assistance funds have strict income guidelines that disqualify many people who, because of unexpected circumstances, experience a temporary need for assistance.

Q. Where does the Good Neighbor Energy Fund get its funds from?

A. Appeals go out to the general public and the business community for contributions. Any contributions made by customers are recognized by the energy companies with various matching and giving programs.

Q. How does the fund work?

A. Requests for assistance go through The Salvation Army, which has income and household member guidelines for qualification. To qualify for assistance, an applicant's gross household income must fall between a specified percent of the Federal Poverty Income Guidelines. Those who qualify may receive up to $275 per household per heating season.

Q. How do I make a donation?

A. Donations can be placed in the mint green GNEF envelopes, which are most prominently found in customers' energy bills, and returned to The Salvation Army. Other energy companies offer an "add a dollar" option which allows customers to increase their monthly utility bill payment by one dollar or more. Or, simply donate on–line via The Salvation Army web site. Of course, you can just send your check to The Salvation Army, 147 Berkeley Street, Boston, Massachusetts 02116–5197. Checks and money orders should be made payable to the "Good Neighbor Energy Fund."

Q. Is there a minimum donation I have to make?
A. No. A donation of any size will help.

Q. Is my donation tax deductible?
A. Yes. The Good Neighbor Energy Fund qualifies as a non–profit, 501(c)(3) tax–exempt recipient.

Q. How do I know that the money I send in is actually being used to help people with their energy bills?

A. The Salvation Army is charged with maintaining a separate account for the Massachusetts Good Neighbor Energy Fund contributions and is responsible for distribution of those funds for the specific purpose of energy bill payment.

Q. At what time of the year does the Good Neighbor Energy Fund stop helping people with their energy bills?

A. The Massachusetts Good Neighbor Energy Fund disburses available funds throughout most of the year. The campaign to raise funds begins anew each January, when the demand for assistance typically begins its winter–weather climb.

Q. Who do I call for more information about making a donation or requesting assistance?

A. For more information about making a donation, call your energy company or the Salvation Army at 617–542–5420. To request assistance, please contact 800–262–1320 (serving area code 413) or 1–800–334–3047 (serving area codes 508, 617, 781, and 978).

Salvation Army on Standby As First Hurricane Approaches
Released 26 August 2011

Portland, Maine (August 26, 2011) – As Hurricane Irene approaches the Northeastern United States as the first hurricane of the 2011 Atlantic Hurricane Season, The Salvation Army is preparing Salvation Army officers and staff, emergency disaster vehicle canteens and supplies to serve as needed.

The Salvation Army will provide food, drinks and spiritual and emotional care to emergency responders and community members should Irene produce severe storms and damage in Maine, New Hampshire and Vermont.

Major James LaBossiere, Divisional Commander of the Northern New England Division shares, " The Salvation Army has placed all of our officers and Emergency Disaster Services volunteers on alert so that services can be provided where and when needed across the region".

Salvation Army emergency canteens will be on call and deployed if needed. The canteens are based at the following locations:

* Bangor, ME
* Lewiston, ME
* Sanford/Old Orchard Beach, ME
* Derry, NH

* Nashua, NH
* Burlington, VT

Salvation Army canteens are fully equipment with a kitchen so that they may provide meals. Canteens also carry additional resources, including water, snacks, work gloves, hygiene products and clean up kits. In the wake of tragedy, the canteen is often the first sign that The Salvation Army is on scene and delivering disaster assistance.

Monetary donations to help The Salvation Army's hurricane relief efforts may be sent to The Salvation Army, P.O. Box 3647, Portland, Maine 04104. Please designate the donation "Hurricane Irene". Credit card donations, please call 1–800–SAL–ARMY. Online: donate.salvationarmyusa.org/Irene. Also, you can text to give, Text 'STORM' to 80888 to make a $10 contribution. Thank you!

Serving the Nation and the People
What makes America great? The heart response by thousands of Americans who reach out when others are in need. Many people routinely, without hesitation, open their hearts to those in need. However, too many days often pass before relief services reach an area hit by disaster. As a result the National Emergency Response Team (NERT) was established. With our "People Helping People" approach and technology working in partnership, emergency services arrive where you need them, when you need them.

NERT is a volunteer driven organization. Hundreds of volunteers nationwide, with a wide spectrum of talents, donate their time and energy assisting in a variety of NERT programs. We are proud to say that every dollar and material donation goes directly to the cause of helping those affected by a disaster situation. All donations are tax deductible.

NERT is certified by the IRS as a non–profit 501(c)(3) corporation. We are also an approved agency with the United Way under our code No.025303. We depend solely on contributions from the public and the business community.

HURRICANE SANDY RESPONSE 10/12:
http://www.nechama.org/index.php/news/85–nechama–takes–action–responds–to–sandy

Hurricane Sandy has dramatically impacted the Mid–Atlantic region of the United States. NECHAMA staff will arrive in the NY & NJ area later today. We will begin assessing cleanup needs and meeting with local partner organizations once first responders and utility crews have secured the affected communities.

We will work as rapidly as possible to determine where NECHAMA can be of service and then establish a base of operations. At that point we will provide details on how to volunteer with us on the ground. NECHAMA has deployed a disaster response trailer from our headquarters in Twin Cities, MN to support this effort.

Though we are still gathering info and working the logistics regarding volunteer opportunities, you can register your interest and availability via this webform:

https://docs.google.com/spreadsheet/viewform?formkey=dDZjcFNjeklFOGptZWNiQmJ0by0yUXc6MA#gid=0

Please donate. Your gift strengthens our ability to quickly bring critical aid and comfort. We will provide additional updates as our response to Hurricane Sandy develops . Thank you for your support of NECHAMA and your generous donation to support these efforts.

2012 HURRICANE ISAAC –
http://www.nechama.org/index.php/news/71–hurricane–response–volunteer–opportunity

Initially we are focused on assisting Jackson County and other hurricane–affected communities in southern Mississippi with flood cleanup, clearing damaged trees, and temporary roof repairs. These volunteer services offered by NECHAMA will support ongoing recovery efforts across Southern Mississippi. NECHAMA continues to be in regular contact with our voluntary organization partners working in Louisiana and anticipates assisting communities there as well.

We are planning on working in Mississippi and Louisiana until Sept. 14, 2012. We have established a base of operations in Biloxi, MS, a coastal community with a history of welcoming volunteers from across the country. If in the coming weeks there are still pressing needs to be addressed and if we are able to raise funds to stay longer, we will consider extending our deployment.

Salvation Army Supports Tornado Relief Efforts In Joplin, Missouri
http://www.usc.salvationarmy.org/usc/www_usc_kan.nsf/vw–news–34/07C4C70524E31EF5862578990010ECF9

Monetary donations:
The best way to help Joplin now is to call 1–800–SAL–ARMY or go to www.SalvationArmyUSA.org to make a donation by credit card. Checks may be mailed to The Salvation Army, PO Box 21787, St. Louis, MO 63109–0787. Please designate the gift "Joplin Tornado." Cell phone users may also text the word JOPLIN to 80888 to make a $10 donation charged to their cell phone bill (text and/or messaging charges may apply).

Donations of used Household Goods and Clothing:
Due to the high expense and time demands associated with delivering your gently–used household goods and clothing (gifts–in–kind), The Salvation cannot guarantee that any individual gifts–in–kind donated now will be sent to the disaster area. In time of disaster, our stores fill these needs from existing, pre–sorted stock. By continuing to donate gently–used household goods to your local Salvation Army store, you not only help your community, you help us prepare for future disaster relief needs. To find your nearest drop–off location, please go to www.satruck.org.

Update May 27, 2011 –
The Salvation Army Continues to Provide Essential Aid to Residents of Tornado–Damaged Reading, Kansas while Mass Feeding Operations Continue in Joplin and Sedalia

KANSAS CITY, MO – Nearly one week after a tornado devastated the town of Reading, Kansas, The Salvation Army continues to provide essential aid to residents who have lost their homes, jobs and most of their possessions.

Since the disaster, which occurred last Saturday night, Salvation Army caseworkers have met with 231 individuals who reside in Reading, providing nearly $40,000 in direct financial assistance to help families obtain immediate necessities, including clothing, food, medicine and shelter.

In addition, The Salvation Army continues its mass feeding operations in Reading, serving meals, snacks and cold drinks to more than 1,000 people over the last six days, including emergency crews, volunteers and residents.

Meanwhile, Salvation Army emergency disaster teams (EDS) were among the first on the scene in Joplin, Missouri, after that city was struck by a massive and deadly tornado late Sunday night. Currently, The Salvation Army has a total of six mobile feeding units that, to date, have served more than 26,000 meals, snacks and cold drinks to people throughout the affected areas of the city.

The Salvation Army has also stationed a mobile feeding unit in Sedalia, Missouri, which suffered damage in a tornado Wednesday. EDS crews have served more than 100 people in that city.

Monetary donations to help The Salvation Army's tornado relief efforts in Reading, Joplin and Sedalia may be sent to: The Salvation Army, 3637 Broadway, Kansas City, MO 64111. Please designate the donation "Tornado Relief". Credit card donations may be made by calling 1–800–SAL–ARMY or going to www.salvationarmyusa.org.

14 year old Christian relief agency that recruits groups from churches, faith–based organizations, mission agencies, youth groups, and colleges to work in disaster area, specifically hurricane relief for long term rebuilding and recovery.

Also run Disaster Relief Villages for other relief organizations i.e. The Salvation Army and Habitat for Humanity.

Run short term mission teams to Honduras, and sponsor special work team events.

Mission Statement:

Working together to share God's love through
Disaster Relief, Short Term Missions and
Holy Sweat Projects

Work with Project TeamWork's disaster relief team on Hurricane Katrina rebuilding and recovery in the Biloxi, Mississippi area. Volunteer groups MUST be 16 years of age and older, be part of a church or faith–based group, with a desire to work hard. No standing around – real work for real volunteers!

Excellent for skilled adult teams with a heart for missions – and older youth groups with strong leadership. Groups can mix construction/re–building work during day and outreach activities in the evening. Excellent opportunity for discipleship of small groups.

Accomodations are rated "excellent" in A/C/Heated Project TeamWork Volunteer Village – with three really good meals a day, comfortable dorm–like sleeping areas, and opportunity to mix with other groups.

Groups can number from 8 to 50.

Skills:

Must be physically able to work on a construction site. Skills could include construction workers, tradespeople of all kinds, handy–man type, women who can operate power tools! Other volunteers (who haven't done this before) must be willing to work hard and learn from supervisors.

Everything from framing, roofing, electric, plumbing, siding, painting, landscaping; anything to do with rebuilding a home.

FROM THE WEBSITE:

Volunteer Village For Disaster Relief Work Teams:

The Salvation Army operates a Volunteer Village which is available to all faith–based agencies working disaster relief in the Biloxi, Mississippi area.

The village, constructed under the bleachers of The Yankie Football Stadium, provides heated and air–conditioned dorm rooms for up to 100 volunteers. Each room sleeps 8 – 12, in oversized bunk–beds. Bathrooms are very conveniently located – indoors. And the showers provide plenty of hot water.

Three meals a day are served to all the volunteers; provided by Salvation Army cooks who are on staff full time. Salvation Army staff run the facility to provide a safe and comfortable environment that promotes interaction and new friendships between groups.

Recovery and build out following Hurricane Katrina, for the Gulf States, will take many years, and thousands upon thousands of volunteers. This is the hope for recovery. Your group can be a part of this hope.

Your church or faith–based relief team may be looking for an opportunity to serve. Project TeamWork could be the answer. Contact our Director of Disaster Relief, Jim Green, for more information.

For information on Gulf Coast Disaster Relief please contact Jim Green.

Email: jim@project–teamwork.org
Phone: 334–559–4565

Short–Term Mission Groups
The Village is designed for faith–based relief work groups only; sorry, no individuals.

All groups must have a responsible leader, and some skilled participants. Youth groups must have a 1 to 4 chaperone/student ratio. And volunteers must be 16 years of age or older. NO CHILDREN. Alcohol, drugs, smoking or tobacco use is prohibited.

Group leaders can book their team with Project TeamWork for a one or two week stay. With the basics taken care, leaders are free to focus on the mission out in the field. For more information about booking your group, our group leader's application has all the information you need and can be downloaded from the volunteer application page.

Every team member (including the group leader) must fill out a team member application and must register through their group leader.

Church groups, mission teams, youth groups, and faith–based disaster teams call the Salvation Army Volunteer Village one of the best ever. Come and see for yourself.

Project TeamWork partners with The Salvation Army to provide this unique mission experience. Because both are Christian organizations, the environment of the Volunteer Village supports those beliefs, values and behaviors. You may visit The Salvation Army website for information about serving directly with them.

U.S. Gulf Coast — September 12, 2008 — As Hurricane Ike bears down on the Gulf Coast, IRD is preparing to provide case management and other assistance to those in its path. Staff from IRD's Gulfport–based Gulf Coast Community Service Center is already in Baton Rouge to assist with Gustav response. drawing on the experience from providing case management services to victims of Hurricane Katrina for the past three years.

Your donation will help us bring emergency relief to the victims of this disaster.

The IRD Gulf Coast Community Service Center (GCCSC) has been rebuilding the lives of the citizens of the Mississippi Gulf Coast since October 2005, opening its doors a little more than one month following the devastation of Hurricane Katrina. The goal of the Center is to reach out to the community and assist in the organization and facilitation of an often–difficult recovery process. Located in West Gulfport, the Center serves the entire Mississippi Gulf Coast, representing most of the Coastal cities as well as the three Coastal counties.

The GCCSC began it work on the Gulf Coast by administering emergency relief, but has transitioned its services to focus on sustainable, long–term recovery. The Center was one of the first agencies in the area administering needs assessments and mapping the most affected areas. The goal of the multi–faceted needs assessment and community mapping process conducted by the Center was to identify potential applicants for assistance following the hurricane. As the recovery cycle progressed from assessing needs to managing needs on an individual basis, the GCCSC has changed its focus to assisting citizens in need through case management. Case managers facilitate the recovery process for survivors by identifying ways to maximize their access to community resources.

The Center hosts a walk–in center for assessments administered by the Harrison County Long Term Recovery Coalition (LTRC), and has developed a resource guide printed by Federal Emergency Management Agency (FEMA) to provide to other relief agencies as a reference.

The Center also provides financial counseling to hurricane victims and MDA Phase II grant recipients seeking to purchase or rebuild homes through funding from the Enterprise Corporation of the Delta. This counseling not only prepares beneficiaries for homeownership, but gives them tools for long–term financial security. And in partnership with the Mennonite Economic Development Association (MEDA), the Center will create and manage a micro–enterprise capital fund which will finance start–up businesses along the Mississippi Gulf Coast. Additionally, the GCCSC will support the development of an open–air market in its Gulfport neighborhood.

IRD also participates in YouthBuild, a program that provides comprehensive programs for vocational development, workforce training and career counseling with Gulf Coast youth. YouthBuild teaches local at–risk high school students how to assist in rebuilding homes while helping them get their GED.

Helping people rebuild their lives, their relationships, and their sense of self–sufficiency, is equally as important to their long–term recovery and that of their communities as their physical needs. It is the human side of recovery that the GCCSC addresses, for thousands of Katrina survivors.

Services:

1)Case management for Katrina survivors. Eligibility: affected by the hurricane and still have unmet needs

2) Fincancial Counseling. Eligibility: Open to everyone

3) Housing Counseling. Eligibility: Open to everyone

4) Youth Build Program will start in January. Eligibility: youth ages 16 to 24 who do not have a high school diploma/GED

Applications are still being accepted for Katrina survivors and programs. To obtain an application: Monday – Thursday 9:00 – 3:00

From the website:

Our Mission is to coordinate recovery services designed to alleviate suffering and stress for the people of Forrest, Lamar, and Perry Counties who have unmet needs due to the occurrence of a disaster. . . currently serving Hurricane Katrina victims.

R3SM identifies unmet needs and resources of individuals through a case assessment survey as a part of the casework management process and meet those needs through collaborative efforts. We support efforts to repair and rebuild homes and lives beginning with the most vulnerable first. In addition we attend to the spiritual and emotional needs of adults and children and provide referrals. We advocate, through referral, for accessible housing, schools, medical resources and

employment for all individuals, including those with special needs/disabilities. We serve as coordination point/clearinghouse for recovery funds, resources, and volunteer labor in damage assessment, casework management and rebuilding.

Speciality: Construction related to repair homes damaged by Hurricane Katrina

Description of volunteer needs: Adults and over 16 years of age teams of volunteers to repair and rebuild homes. Adults and college age to perform administrative and clerical–related duties.

Skills volunteers are required to have: Skilled and unskilled labor. Home repair, painting, hanging dry wall, roofing, etc; Some administrative and clerical work available.

Useful Skills: Any and all trade skills; construction and carpentry skills especially useful

Tools or supplies volunteers should bring: Speciality tools as required by the team. Money is always appropriate and needed.

Will volunteers need to bring any money or material, such as for housing: Depending upon availability, requesting $100.00 per week to defray utilities.

Length of time volunteer can help: 5 work days

Size of volunteer team: 10 – 20

Are individual volunteers welcome? Yes

Age restriction, if any: Over 16 years w/ adult supervision

Denomination/affiliation, if any: All welcome, no restrictions

If yes, must volunteer be a member: No

Any other restrictions: Must represent the Long Term Recovery Committee and United Way well to the community.

Housing provided for volunteers, if any: Volunteer housing available – sleeps 15–20. Must coordinate well in advance.

Meals provided for volunteers, if any: Local churches might provide some dinner meals. Kitchen facility is available. Call for details.

Any additional notes: Serving low–income and disabled individuals and families. One year later – we still need help. Please come and volunteer with us.

Approximate date the project started: Jun–01–2006
Estimated date the project will end: Dec–31–2008

Social Services

Salvation Army social service programs meet the basic needs of daily life for those without the resources to do so themselves. Often, the programs provide food, shelter, clothing, financial assistance to pay utilities, and other necessities based on the need.

Casework and Counseling

Casework and Counseling are components of many Salvation Army programs throughout the United States. Whether it is financial planning and job placement for a young, single mother living in a Salvation Army transitional facility, health care and residential assistance for a family dealing with disease, or counseling and advocacy for a victim of spousal abuse, The Salvation Army is with those it serves every step of the way.

CENTER OF HOPE – Transitional Shelter with a Life Transforming Purpose

The purpose of the Center of Hope Program is to assist people in helping themselves to overcome through Christ the problems that have damaged their lives. The ultimate goal is to integrate the graduate of this Program back into society in about 90 days. Education, life skills, and Christianity are a major part of this approach. The Salvation Army, historically, has been a holistic ministry that helped people physically, challenged people mentally, and transformed people spiritually.

This Program will be offered to persons who are truly sincere in breaking their state of dependency. The Program will accomplish outlined goals in a series of phases and steps. If worked properly, the Center of Hope will result in the Program Participant (client) developing a positive mental attitude about themselves and others. Program Participants, in cooperation with the Program Director and Case Manager will develop goals and objectives that can be measured so that the clients and those helping them, will be able to measure and assist in their Progress.

PROGRAM OVERVIEW

The Center of Hope is a 90 day program that is broken down into 3 Levels on 30 day increments. Level I is called the Beginner Training Program, Phase II is called the Advanced Training Program, and Phase III is called the Leader Training Program. As clients meet their individual goals they will be recognized upon the completion of each Level. Each of these levels has the objective to provide accountability, responsibility, and discipline in the lives of the men of the Center of Hope.

BEGINNER TRAINING PROGRAM –

0–30 DAYS AT THE CENTER OF HOPE.
REGISTRATION FEE AND INTERVIEW REQUIRED
CLIENTS MUST SECURE PROPER IDENTIFICATION.
CLIENT MUST LOOK FOR PERMANENT EMPLOYMENT AND MUST PROVIDE PROOF OF DAILY ACTIVITY (BUSINESS CARDS, APPLICATIONS, OR PHONE NUMBERS TO THE PROGRAM DIRECTOR/CASE MANAGER)
REQUIRED TO ATTEND ALL CLASSES AND SERVICES AS SCHEDULED, UNLESS PERMISSION IS GRANTED BY THE PROGRAM DIRECTOR.
ADVANCED TRAINING PROGRAM–

30–60 DAYS AT THE CENTER OF HOPE.
STEADY EMPLOYMENT AND EVALUATION REQUIRED.
CLIENT MUST ESTABLISH PERSONAL GOALS WITH THE PROGRAM DIRECTOR/CASE MANAGER.
REQUIRED TO ATTEND ALL CLASSES AND SERVICES AS SCHEDULED, UNLESS PERMISSION IS GRANTED BY THE PROGRAM DIRECTOR.
LEADER TRAINING PROGRAM–

60–90 DAYS AT THE CENTER OF HOPE.
CLIENTS MUST PROGRESSIVELY BE ACCOMPLISHING THEIR PERSONAL GOALS.

REQUIRED TO ATTEND ALL CLASSES AND SERVICES AS SCHEDULED,UNLESS PERMISSION IS GRANTED BY THE PROGRAM DIRECTOR.
PROGRAM GOALS

The Salvation Army Center of Hope is a facility for those individuals that want to better their lives. Apart from the education, life skills, and Christian teaching an individual needs to develop personal goals. The program participant will work with the Program Director & Case Manager in establishing these personal goals. Some typical axamples of personal goals are listed below:

LEVEL 1

STAY CLEAN FROM ALL HARMFUL SUBSTANCES
ESTABLISH AND MAINTAIN PROPER IDENTIFICATION
FIND STEADY EMPLOYMENT
PAY PROGRAM SERVICE FEES ON TIME
PARTICIPATE IN ALL PROGRAM SERVICES AND EVENTS
LEVEL 2

RESPONSIBLY DEAL WITH DEBT
ESTABLISH AND MAINTAIN A BANK ACCOUNT
ESTABLISH AND MAINTAIN A PERSONAL BUDGET
LEVEL 3

ESTABLISH RELIABLE TRANSPORTATION
LEVEL 4

ESTABLISH A PERMANENT PLACE OF RESIDENCE

Program Service Policy

Program Service fees charged by The Salvation Army to all Program Participants is a pro–rated amount toward the actual cost of the Center of Hope Program for an individual and is not the full cost of the program.

Clients will be required to pay program service fees by 8:00pm every Friday to the cashier at the front desk. The full amount of program service fees is due every Friday. If you are having financial problems, discuss them with your Case Manager during scheduled meetings.

Failure to pay Program Service Fees in full on the due date will result in the Participant being dropped from the Program. Being dropped from the Program will require the Participant to remove all personal belongings from the Center of Hope and to leave the Center of Hope that day. It is possible to return after 30 days and after all debt is paid. (This is available ONLY to those clients removed from The Center of Hope because they could not pay the fees)

The goal of establishing program fees is to help clients understand fiscal responsibility and budget their income to allow for food, shelter, and utilities. The fees The Center of Hope charges help cover the cost of all hot meals provided, security of the shelter, and all comforts The Salvation Army provides for its clients.

THIS IS NON–REFUNDABLE. The total amount for Program Service Fees are as follows:

$75.00 per week for the first 90 days.
$81.25 per week for the second 90 days.
$87.50 per week for the third 90 days.
$93.75 per week for the fourth 90 days.

Help groups are distributing hundreds of lunches and setting up relief canteens in and near Magee in Simpson County, the scene of massive tornado devastation early today.

With fresh flash–flood warnings looming, the Salvation Army served about 350 meals to area needy.

The agency reported its Jackson emergency canteen is stationed at the Magee central Fire Station at Main and 2nd streets and its Laurel canteen and two additional mobile units are set up and serving residents in areas of Mississippi 28 West — hardest hit by the EF–3 twister officials suspect ransacked Magee around 1 a.m.

“We have food on its way from Jackson to feed tonight and tomorrow if necessary," SA Major John Showers says. “We are waiting on the status of power returning to the area to make further decisions.”

Subject: Volunteer opportunities

Operation TLC in Pascagoula is housing volunteers for the 100 Homes in 100 Days project. We also have plenty of work/materials for volunteers housed at other locations.

We work seven days/week and desperately need more volunteers, especially (but not exclusively) builders, electricians, plumbers and HVAC specialists.

We welcome all partners in this effort. Volunteers or those in charge of placing volunteers, can visit

www.100homes100days.com

or www.operationtlc.org

Many thanks for spreading the word.

Sincerely,
Annie Card

Mississippi Home Again

Operation TLC provides a volunteer and community center operated and funded by Rebuild Jackson County, a 501(c)(3) non–profit organization. Originally started by the cofounders of Mississippi Home Again (http://www.mississippihomeagain.org/), Operation TLC provides a volunteer and community center for Jackson County, MS. Located in Pascagoula and free of charge, the center includes 120+ beds, recreation facilities, and free wireless Internet access. Operation TLC is not responsible for lost or stolen items.

Visit Operation TLC's Blog to see the latest on there activities at: http://operationtlc.blogspot.com/

Annie Card of 'Mississippi Home Again' is the long term volunteer onsite.

Projects in progress at this time:

Obtaining a trailor/computers to offer a tool lending library that will be available to volunteers for rebuilding purposes.

Putting on a Fall Festival for local children at the end of 10/06.

Creating a Community Board to encourage local residents to come in and post needs such as lawn mowing, baby–sitting, want ads for jobs, job opportunities and to generate volunteerism in the community.

August 2012 – Volunteers are still needed for work in Pamlico County. Approximately 30 homes have been repaired with many more to go. To volunteer, click on "Volunteer Now"

ON GOING PROJECTS AT:
http://www.baptistsonmission.org/Projects/United–States

April 25, 2011– NCBM Disaster Relief men and women are working in more than 12 different locations across North Carolina. Over 700 jobs have been completed by several thousand volunteers. Over 55,000 meals have been provided so far. Thank you for praying, giving and going.

April 20, 2011 – NCBM was one of several organizations featured on a fundraiser hosted by WRAL and UNC–TV. We are thankful for the generosity of those that gave. The work continues for us in 12 locations in the eastern half of NC. Over 400 jobs have been completed using almost 3,000 volunteer days. In addition, feeding teams have produced over 21,500 hot meals in partnership with the American Red Cross and The Salvation Army.

April 19, 2011 – Volunteers continue to respond to the needs of those affected by the recent tornado's. Chainsaw debris removal and mass feeding volunteers with support from Chaplaincy, Administration and others are helping in a number of locations including: Bertie, Bladen, Craven, Cumberland, Greene, Halifax, Johnston, Lee, Robeson, Onslow, Sampson, and Wake counties. So far over 140 jobs have been completed and 16,280 meals have been prepared by 1,644 volunteers. Thank you for serving!

April 18, 2011 –Update – The following report is what occured today as NC Baptist Men coordinates volunteer response to the severe weather and tornado damage:

Wake County – 100+ volunteers today. Prepared approximately 2000 meals for ARC and TSA. Assessors in Holly Springs.

Lee County – 150+ volunteers plus two skid loaders. Needs assessment volunteers.

Halifax County – 20 people today.

Bertie/Hertford County – 38 people working in recovery work.

Craven County – 9 people putting on blue tarps and doing recovery work.

Johnston County – 100+ volunteers today. 78 job requests completed. Moving to Four Oaks soon. Some of the teams are already working there.

Bladen County – Teams still working in the area.

Wilson County – projects developing.

Greene County – Several teams working in Snow Hill, Will be back there tomorrow.

Cumberland County – Have been feeding first responders and volunteers. Assessment started today and recovery work should start tomorrow.

Harnett County – Working to get some assessment started in that area.

Onslow County – will work with people in the Jacksonville area on disaster recovery.

April 16, 2011 8 p.m. Update – On Saturday, April 16, 2011 a series of devastating tornadoes hit many areas of Central and Eastern North Carolina. NC Baptist disaster relief volunteers began doing assessment and disaster recovery as soon as the storms passed. There are still many areas where volunteers cannot safely get into due to downed power lines. NCBM is setting up disaster recovery sites in many of the affected areas, in the next few hours and days based on the assessments. Right now disaster relief team leaders are setting up or assessing operations in Wake, Johnston, Lee, Bladen, Wilson, Cumberland, Person, Northampton, Bertie and Robeson Counties.

Donations:

Financial donations may be made online or by contacting a local Salvation Army unit, by phone or by mail. Addresses for each North Carolina unit are listed below.

Most household items, clothing, furniture, etc. are donated to Salvation Army Adult Rehabilitation Centers (ARCs) and sold in thrift stores to raise funds for the program. There is only one ARC in North Carolina (Charlotte) To donate, contact either the ARC or a local Salvation Army unit. Generally, ARCs operate in a 50–mile radius of their location.

Most vehicles are donated to Salvation Army Adult Rehabilitation Centers (ARC) and sold at auction to raise funds for the program. To donate a vehicle, contact the ARC or a local Salvation Army unit. The vehicle should normally be in driving condition (some locations accept non–working vehicles). The Salvation Army will issue a receipt acknowledging the vehicle was received, and will be sold by auction. The amount received in a sale by The Salvation Army will be the amount allowed as a tax deduction by the donor. Contact an ARC or your local Salvation Army for more information.

Assistance:

Assistance programs are conducted by local Salvation Army units. In cities where there is an Area Command, it usually conducts the social services program. Assistance for food, utilities, rent, housing and other needs is determined by need and the availability of resources to meet that need.

Current Updates:
March 26, 2009

Currently, Lutheran Social Service of Minnesota is calling on congregations statewide to mobilize volunteer teams to prepare for deployment to the Red River Valley for clean–up and longer–term recovery work.

Following a significant natural disaster, Lutheran Social Service of Minnesota works in affected–areas over many months, sometimes years, to help Minnesotans in the immediate aftermath of a disaster and longer–term rebuilding recovery.

We provide case management services to help local residents navigate paperwork, access loans, make important decisions about their future and coordinate volunteer teams to rebuild homes over the long–term. Volunteers may be needed for this work in coming weeks.

Lutheran Social Service of Minnesota also trains volunteer teams to offer Camp Noah, a week–long, faith–based day camp designed to help elementary–age children recover emotionally and spiritually after a flood disaster.

Congregations that are interested in assembling a Camp Noah team or volunteering for clean–up and rebuilding recovery efforts are encouraged to sign up with us above.

Individual contributions from the community are how Lutheran Social Service of Minnesota funds its disaster relief efforts. Donations can be received online or by mailing a check payable to Lutheran Social Service of Minnesota, 2485 Como Avenue, Saint Paul, MN 55108. Please designate the gift to Disaster Relief.

Thank you for all your gifts of support as we help our neighbors in the Red River Valley.

What is Lutheran Disaster Response?

Lutheran Disaster Response (LDR) is collaborative ministry of the Evangelical Lutheran Church in America and The Lutheran Church – Missouri Synod. In North Dakota, the LDR affiliate is Lutheran Social Services of North Dakota (LSS).

The National Office of Lutheran Disaster Response operates through a network of forty different organizations such as LSS ND with which LDR has a memorandum of understanding.

LDR ND responds to disasters in North Dakota and when requested, nationally. Our focus also includes preparedness as a vital part of disaster response.

Red River Flooding: Update

Red Cross Moves Supplies into North Dakota as Rising Flood Waters Threaten
Trailers Filled with Cots, Blankets, Meals Begin Arriving in Fargo

As residents of the Red River valley prepare for potentially record flooding, the American Red Cross is moving into position to provide help where needed. More than 24,000 prepackaged meals are expected to arrive today, along with thousands of cots, blankets and toiletry kits.

These supplies are expected to be used for evacuation shelters, which may open within the next 48 to 72 hours, depending on weather conditions. In addition, the Red Cross is gearing up for an extended relief operation, placing volunteers from around the nation on stand by to move to North Dakota when needed.

The Red Cross already has five mobile feed trucks in the area providing food and drinks for the volunteer crews racing to fill 1.9 million sandbags needed to fight the flood waters. The city has set up Sandbag Central, where machines fill sandbags around the clock. About 400,000 to 500,000 bags must be filled each day to reach the goal of 1.9 million by the end of the week, according to local officials.

Major flooding hit the area in 1997, after which a levee system was built to protect the city of Fargo. However, weekend storms increased the flood threat and sped up emergency preparations in the Red River Valley. Flood stage is 18 feet, and some forecasters are reporting the river could rise as high as 52 feet above flood level over the next week, worse than conditions in 1997.

The Salvation Army Continues Fight Against Fargo Flood

March 23, 2009 – The Salvation Army continues to provide food, hydration, and emotional/spiritual care to residents of the Fargo/Moorhead area as they struggle to defend their community against looming flood waters that could cause mass devastation. (Click here for photos.)

Since Friday, 53 Salvation Army staff and volunteers have served 5,750 meals, 9,500 snacks and 13,000 drinks to thousands of volunteers as they fill sand bags and build levies to ward off a Red River flood expected to crest at 40 feet – 22 feet above flood stage, and nearly a foot higher than the historic Fargo flood of 1997.

Mobile feeding units (canteens) deployed from Bismarck, Brainerd, Fergus Falls, the Twin Cities and Willmar are roving neighborhood streets. Another canteen is fixed at Fargo's garbage utility – or "Sandbag Central" – where legions of volunteers are filling an estimated 25,000 sandbags per hour.

The Salvation Army and the American Red Cross are working in collaboration to meet the demands of the community.

"The Salvation Army's operation is vital to supporting the efforts of saving our community," said Captain Adam Moore, administrator of the Fargo Salvation Army. "The propensity for great property loss is more and more evident with each foot the river rises. There is also great concern for the emotional and spiritual needs of the community, as this is one of several 100–year floods we've faced in recent years."

To date, The Salvation Army has spent more than $20,000 on this effort. To donate, call 800–SAL–ARMY or click the button below. Designate your donation "Fargo Flood."

Limited financial assistance is and will be available for qualifying households displaced by the flood. For assistance call 701–838–8925.

Minot, ND – June 23, 2011 – With more Salvation Army disaster relief teams from Fargo and the Twin Cities en route, staff and volunteers are providing food, water and emotional support in Minot and nearby cities while flood crews scramble to raise levees. With parts of Minot already underwater, the Souris River is expected to crest this weekend.

"The Salvation Army's feeding efforts will continue for weeks to come," said Major Donald Kincaid, Minot Salvation Army administrator. "After the floodwaters recede, we will additionally offer clean–up kits and long–term support."

"The Salvation Army has served in Minot since 1896," Kincaid said. "This is our town, too. We are committed to serving this community the best we can, for as long as we are needed."
For any and all flood information not related to The Salvation Army, call the Ward County Flood Hotline at 701–858–9366.

Monetary donations:

The Minot Salvation Army needs financial support now and in the months ahead to cover the costs of its disaster response. To make a $10 donation, text "MINOT" to 80888 and reply "yes" to the confirmation text. A one–time donation of $10 will be added

to your mobile phone bill. Messaging and data rates may apply. For terms, see www.igfn.org/t.
Donations can also be made online at www.thesalarmy.org, by calling 800–SAL–ARMY (725–2769) or by mailing a check to The Salvation Army, 2445 Prior AVE N, Roseville MN 55113. Be sure to designate your donation “Minot Flood.”

Donations of used Household Goods and Clothing:

Due to the high expense and time demands associated with delivering your gently–used household goods and clothing (gifts–in–kind), The Salvation cannot guarantee that any individual gifts–in–kind donated now will be sent to the disaster area. In time of disaster, our stores fill these needs from existing, pre–sorted stock. By continuing to donate gently–used household goods to your local Salvation Army store, you not only help your community, you help us prepare for future disaster relief needs. Network set up to help those with unmet needs

In response to the recent flooding throughout the state of North Dakota, the North Dakota Long–Term Recovery Committee and local Unmet Needs Committees are preparing to assist individuals and families hardest hit by the spring 2009 flooding.

These groups, made up of local voluntary and faith–based agencies work, through a disaster case management process (RAFT – Resource Agencies Flood Team), to help individuals and families with their "long–term and/or unmet needs" after other forms of assistance have been exhausted– ie. personal resources, insurance, FEMA and/or SBA assistance, and local, state or other government and non–government resources.

To receive a case management application for unmet needs, contact your local, Red Cross, Salvation Army or United Way or call a representative of the North Dakota Long–Term Recovery Committee at Lutheran Disaster Response 1–800–366–9841.

Lutheran Disaster Response is also coordinating volunteers who would like to help with clean–up, muck–outs and rebuilding efforts. If you or your “team” would like to assist please call Lutheran Disaster Response at 1–800–366–9841.

NYDIS MANUAL FOR NEW YORK CITY RELIGIOUS LEADERS:
Spiritual Care and Mental Health for Disaster Response and Recovery
THE REVEREND STEPHEN HARDING, BCC, STM, EDITOR

This manual was developed by New York Disaster Interfaith Services to help you do several things as individual leaders of houses of worship:

* Prepare yourself and the members of your worshiping community by developing a disaster plan in advance;
* Help you identify the phases of disaster so that you know where you are as things are going on around you;
* Provide you with information about preparation and your role as religious leaders in all phases of disaster;
* Provide you with information and resources that you can call on and use if you need them; and
* Help you to start thinking about what you would do if a disaster happened to your own house of worship or in your community.

The contributors to this manual all have experience in responding to disasters. Some worked as part of the recovery effort for the World Trade Center and/or other disasters; others have extensive experience in working with relief organizations; still others are therapists; others teach; and all write from the experience of 'having been there.' These chapters are the things they have done and that have worked for them.

From the NYVOAD Member Directory:

Organization Structure

NYDIS is a faith–based federation of service providers and charitable organizations who work together to provide disaster services. Our mission is to develop and lead faith–based disaster readiness, response, and recovery services for New York.

Disaster Program

In preparedness for and in response to disasters, NYDIS provides coordinative services and training to faith communities and their agencies, clergy, houses of worship and leadership. Through its network of local, state, and national agencies involved in disaster management, NYDIS helps to facilitate the delivery of disaster response, relief and recovery services, resources, and information to religious communities and underserved individuals, populations and impacted communities. We carry out our mission through three principal program areas:

• Disaster Recovery: Supports member organizations in providing cash assistance, direct victim services, training and support of case workers, clergy and caregivers; includes Unmet Needs Roundtable services

• Mitigation Education and Preparedness Education: Trains faith–based communities, including houses of worship, lay, clergy and religious leaders, as well as their partner agencies and neighborhoods

• Disaster Advocacy: Works on behalf of disaster victims, particularly vulnerable and under–served individuals, populations, and impacted communities.

From the NYVOAD Member Directory:

Organizational Structure

The American Radio Relay League, Inc. (ARRL) is a national volunteer organization of 155,000 licensed radio amateurs in the United States. ARRL maintains a field organization of 10,000 leadership volunteers and 40,000 registered radio amateur members of the ARRL–sponsored Amateur Radio Emergency Service (A.R.E.S). This large volunteer force is headed in each of 71 geographical sections by an elected section manager. Disaster communications in each of those sections is under the direction of an appointed section emergency coordinator (SEC), who, in turn, directs district and local emergency coordinators. Radio amateurs volunteer not only their services, but also the use of their privately owned radio communications equipment and digital interfaces for use in disaster situations.

Disaster Program

The ARRL is national both in scope and in purpose, but with disaster response conducted and directed at the local and state levels. The ARRL is a voluntary membership organization incorporated as a not–for–profit institution and qualified under IRS regulation 501(c) 3. ARRL's commitment is to promote, organize, and assist at every level to meet the communications needs of people and agencies affected by disaster. The ARRL has entered into formal agreements to provide emergency radio services with the American Red Cross, The Salvation Army, National Communications System, Associated Public Safety Communications Officials– International, Inc., National Weather Service, and Federal Emergency Management Agency (FEMA). American Radio operators shadow emergency responders and officers at disaster sites. This is the only way emergency agencies (who use different radio frequencies) are able to have interoperable communications.

Heart to Heart International shipped 2,040 hygiene kits to the Salvation Army for distribution. Partner: Salvation Army

Delivered nearly 200 hygiene kits, and worked with a Red Cross nurse providing medicine and care for Sandy evacuees in Red Cross Manhasset shelter.

After the Locust Valley* shelter closed, the MMU moved with about 120 evacuees to this larger shelter on November 1, 2012, increasing the population to about 300. The Mobile Medical Unit became a ER-type clinic, providing not just medications, but a medical workspace for area doctors and nurses to work in, giving care to those in the shelter.

Nassau Community College – Red Cross Shelter
After the Manhasset shelter closed November 5, 2012, Heart to Heart supported the transfer of approximately 200 Sandy evacuees to a larger shelter at the Nassau Community College.

Robert Frost Middle School – Red Cross Shelter
Heart to Heart supported a smaller Red Cross shelter in Deer Park.
Among the supplies delivered to a grateful volunteer staff: Hygiene kits, complete glucose testing kits, feminine hygiene products and OTC medications

old notes:
From the NYVOAD Member Directory:

Activation of NYSVOAD

NYSVOAD recognizes the independence of each of its member organizations and does not dictate agency response. However, NYSVOAD endeavors to serve as a catalyst of cooperation and communication between each of its members.

In the event of a disaster, any member agency may request initiation of NYSVOAD response coordination. Response coordination may be accomplished through conference calls, local meetings, or electronic communications.

It is important to maintain the regularly scheduled NYSVOAD communications (i.e. monthly conference calls, executive meetings) during the disaster timeframe.
Activation of any one member organization may be done directly by that organization or may be requested through the leadership of the NYSVOAD.

Activation through NYSVOAD will ensure that all member organizations are informed of the situation. Once activated, NYSVOAD will encourage a cooperative and coordinated voluntary response.

Disaster Coordination Plan

The purpose of the NYSVOAD is to bring together organizations active in disaster services to foster more effective preparedness, response and disaster recovery in New York State. Direct service to impacted communities is provided by the member agencies of the NYSVOAD, not by the NYSVOAD itself. NYSVOAD is a coordinating agency whose goal is to enhance planning, training and communications between organizations active in disaster mitigation, response and recovery. With this in mind, NYSVOAD shall support the response to level 3 & 4 disasters, as appropriate, in the following manner:

I. NYSVOAD Officer (or designee) will report to the State Emergency Operations Center and become the liaison for all VOAD members not then represented in the EOC, and will call and facilitate a NYSVOAD meeting or conference call as soon as practical and needed to do so.

II. NYSVOAD EOC Liaison will meet with the State Donation Coordination Manager (or designee), the State Director of Human Services and FEMA VAL (Voluntary Agency Liaison), and will convene meetings or conference calls with VOAD member agencies to identify and assist with immediate needs, and coordinate with member agencies on their planned responses.

III. NYSVOAD Officer (or designee) will provide updated reports of voluntary agency activities to the New York State Office of Emergency Management (State OEM) at regular intervals or when necessitated by changes in service or location, and will provide member agencies with information regarding the state response. The Liaison will also communicate any issues or concerns that member agencies are reporting in the field to the state.

IV. NYSVOAD Executive Committee will facilitate the development of Long Term Recovery Committee(s) as appropriate, in coordination with the State OEM Director of Human Services and the FEMA VAL.

V. At the close of an operation, NYSVOAD Chairperson or Vice–Chair will request a consolidated report from each voluntary organization assisting in disaster response. This report is to include recommendations that will enable NYSVOAD to encourage and implement corrective actions that will enhance future response and recovery operations. Reports will be brought as an agenda item at the next NYSVOAD meeting following the disaster.

NYSVOAD shall support the response to disasters of a level two or less, as appropriate, in the following manner:

I. NYSVOAD Officer (or Designee) will convene a conference call with member agencies and government partners to evaluate the nature and extent of damages. Under special circumstances the VOAD Liaison may be requested to support EOC operations.

II. NYSVOAD Member agencies will support local response agencies as appropriate.

III. NYSVOAD Executive Committee will facilitate the development of Long Term Recovery Committee(s) as appropriate, in coordination with the State OEM Director of Human Services.

IV. At the close of an operation, NYSVOAD Chairperson or Vice–Chair will request a consolidated report from each voluntary organization assisting in disaster response. This report is to include recommendations that will enable NYSVOAD to encourage and implement corrective actions that will enhance future response and recovery operations. Reports will be brought as an agenda item at the next NYSVOAD meeting following the disaster.

NOTE: The primary goal of the NYSVOAD and its member organizations is to work in partnership and support of local VOAD's, disaster response networks, local human services councils and other response organizations, and when required act as a conduit to national resources. It is not the role of the NYSVOAD nor its member organizations to replace local networks or their services.

The Salvation Army Prepares for Cold Weather with Winter Night Shelters for the Homeless!

(Portland, OR) – As the cold weather approaches, The Salvation Army is already preparing for the increase in number of men and women on the streets needing night shelter from the weather. The Harbor Light Center and Salvation Army Female Emergency Shelter (SAFES), both located in downtown Portland, will be expanding their services beginning the first of November with additional beds in each facility.

Harbor Light, located at 30 SW 2nd St., will be open from 8pm–8am starting November 1st for homeless men to find shelter. The Center is working with the City and will serve 70 men a night with 35 slots reserved for those deemed medially vulnerable. Case management will be available. A Tuberculosis card is required to use the shelter. The night shelter will close the morning of April 1, 2010.

SAFES will be adding 15 spots to their current 50–bed night shelter at 11 NW 5th Ave. in downtown Portland. The winter night shelter will start October 30th and close March 31, 2010. The shelter will be open from 6pm–7am. All night services will remain the same for those women in the shelter, including access to showers, case management and rental assistance.

Both shelters will continue to run their day shelters throughout the winter months.

The Salvation Army Cascade Division, headquartered in Portland Oregon. The Cascade Division provides help and hope to thousands of individuals in Oregon and Southern Idaho every year.

The Salvation Army Cascade Division works with volunteers in 85 rural communities throughout Oregon and Southern Idaho where there is not an official corps (church) or community center. Rural Services are administered through our Service Extension programs. Assistance is short–term, and not for continuing help. We may assist a second time if warranted by circumstances. Both local and transient persons are eligible for assistance. The basic resources are food, clothing, transportation, prescription and shelter.

Oregon Service Extension services/vouchers are located in the following counties:

Clatsop, Columbia, Coos, Crook, Douglas, Gilliam, Grant, Harney, Hood River, Jefferson, Lake, Linn, Malheur, Morrow, Sherman, and Wallowa.

Solidarity

We would like to take a moment to acknowledge that while the COVID–19 pandemic is consuming a lot of our attention, it has not stopped the violence and injustice that exists in the world, and this is very much true for the deep injustices that the black community is facing in the United States.

We stand in solidarity with our colleagues who are feeling the pain of violence and injustice in our state and in our country. We welcome any input as to how we can ensure that ORVOAD acknowledges, listens and acts to make meaningful change around systemic racism.

Transitions

The time between June and July will mark a transition of leadership for ORVOAD. Michelle and Susan are so happy to welcome Rashad Bauman as the new President of ORVOAD.

ORVOAD – Working Cooperatively in a Crisis

Following a disaster, ORVOAD convenes its members and other agencies to discuss how they will work together cooperatively in the crisis. ORVOAD does not itself deliver services. Instead, its members independently meet relief and recovery needs within the cooperative framework the organization makes possible.

ORVOAD coordinates planning by the many voluntary agencies responding to a disaster so they provide more effective service with less duplication when a disaster strikes.

MEMBERS:
Oregon Voluntary Organizations Active in Disaster is not intended to be a competing agency but an umbrella organization of existing agencies. Each member organization maintains its own identity and independence yet works closely with other agencies to improve services and eliminate unnecessary duplication.

ORVOAD consists of voluntary and state government organizations with disaster relief roles. VOAD functions include animal control, building repair, child care, clean up, clothing, communication, counseling, damage assessment, disaster welfare inquiry, financial assistance, food, human relations, mass care, sheltering, transportation, volunteer staffing, and warehousing and bulk distribution.

Emergency Food Support for Evacuees in sheltering in hotels in Deschutes County.

We would like to express a heartfelt thank you to local restaurants and community members for the wonderful outpouring of food deliveries to the evacuees we are serving in Deschutes County.

As we move forward with future meals, we need your help to meet CDC guidelines by only serving individually packaged meals (“to go” type meals).

To help organize meal donations, please fill out this form. If we're currently able to match your offer of support with the current need we will get in touch with you shortly (24–48 hours).

DONATIONS
The best way to help evacuees is to make a financial contribution. Monetary donations allow disaster responders to immediately meet the specific needs of the disaster. 100% of your donation stays in Oregon to respond directly to the needs of those impacted by the Oregon Wildfires. There are a variety of ways the public can support The Salvation Army’s disaster relief efforts:

THE HIGH PLAINS FOOD BANK is a non–profit organization that collects and distributes donated, surplus food to agencies in the Texas Panhandle. In 2006, they distributed 4.9 million pounds of food (over 3.8 million meals!). Their mission is to Alleviate Hunger in the Panhandle.

Approximately 205,000 meals are served each month through their onsite agencies. An average of 7,600 families are provided with 10 days of meals each month through their pantry agencies.

To Become an Agency of the High Plains Food Bank you must be:

–A non–profit organization as defined by section 501(c)(3) of the IRS tax code for tax–exempt organizations
–Sponsored by a 501(c)(3) organization
–The organization must meet the IRS requirements for classification of a church
–Church sponsored
–The agency must use the food exclusively to serve the ill, needy, or infants
–The organization must not discriminate on the basis of race, color, national origin, sex, age, or disability.

The High Plains Food Bank currently serves over 163 private, non–profit organizations, churches, senior citizens centers, child care facilities, halfway houses, soup kitchens, and shelters.

To find out more about becoming a member agency, please contact Lesley Hanson by calling (806) 374–8562 or send an email to:

Radio Emergency Associated Communications Teams are volunteer radio operators who are organized internationally and use two–way radios to provide public service communications for travelers and their local communities. REACT Teams provide help during emergency operations and public service events, such as parades, triathlons, etc.

REACT Teams provide communications in response to emergencies and for community events. They utilize GMRS, UHF, VHF, Amateur, and other radio services. Teams participate in their communities' disaster preparedness plans through cooperative agreements with ARRL, NOAA, VOAD, American Red Cross and the Salvation Army.

The Texas State REACT Council has 9 member teams in Texas, including all the major cities like Dallas/Ft. Worth, San Antonio and Austin, plus other communities in between. In 2005, two teams in the San Antonio Metro Area merged into a single team covering 4 counties.

Here is a list of current Texas REACT Teams:

Salvation Army Seeking Warehouse Space For Use During Dolly Recovery

The Salvation Army in McAllen, currently running as the Incident Command Post for Dolly disaster recovery, has power once again. Electricity was restored to the facility at approximately 5:30 p.m. on Thursday night.

Along with the restoration of power, comes an increased need for a warehouse facility to use as a storage and distribution center as The Salvation Army continues assisting victims, and first responders of Hurricane Dolly.

If you can be of assistance in helping The Salvation Army acquire warehouse space until recovery efforts conclude, please contact Major Dan Ford, Incident Commander for Dolly Recovery Efforts in McAllen, TX. He can be reached by calling 956–821–0382.

RECOVERY EFFORTS CONTINUE

The Salvation Army of Texas is continuing their dedicated recovery efforts to victims and first responders of Hurricane Dolly, despite a lack of electricity.

The Salvation Army has kept the doors open to its shelter in McAllen, TX, despite losing power around 11:30 p.m. The shelter hosted 188 people on Wednesday night . In Addition to serving those staying in the McAllen Salvation Army shelter, mobile feeding units responded to the public's cry for help, serving over 2,000 meals to people in shelters across Hidalgo County.

Major Dan Ford, Incident Commander for The Salvation Army recovery efforts said, "We've been impressed with the cooperation of those we are helping, their patience and understanding of our limitations and the appreciation they have expressed for our services to the community."

7/25/08 Shelter Update:

Sheltering of Displaced Individuals Remains a Priority
Shelters remain open in Hidalgo County, staffed by Texas Military Forces, city, county and school district personnel. These are not Red Cross shelters, as the humanitarian organization refused to open shelters in Hidalgo County due to the levees being decertified by FEMA. Food was provided by the Salvation Army yesterday to four shelters and school lunches and school district kitchen staff and/or ready–made meals provided by the city were utilized at the other shelters. Food will be available at the shelters today. Cots may be made available only to the elderly and individuals with special needs later today.

The American Red Cross will not open shelters in Hidalgo County, claiming risk from the FEMA decertified levees. For this reason, Hidalgo County officials, in coordination with area cities, school districts, law enforcement, fire departments and the Texas Military Forces, have begun to open shelters.

Families must provide their own transportation to the shelters. Food, water and other basic necessities like toiletries will not be provided. Residents are advised to bring medications, supplies for babies and the elderly and bedding materials. Please see the attached handout for more information on what to bring and what not to bring to a shelter.

FOR IMMEDIATE RELEASE
July 22, 2008, 4:00 p.m.

WHAT YOU NEED TO KNOW ABOUT SHELTERS:

• A shelter will not provide the comforts of a hotel or motel.
• The shelter is not a medical shelter; only basic first aid will be available.
• The shelter does not accept responsibility for storing valuable personal property.
• Parents are required to be in control of their children at all times.
• Persons needing medical assistance of personal attendants cannot be left unattended.
• Shelters may be equipped with generators, but they may or may not be air–conditioned. If electrical power is interrupted, portable generators will not be able to keep air conditioners running.
WHAT TO BRING TO A SHELTER (plan for up to three days):
• Non–perishable food and snacks (it may not be provided at the shelter)
• personal hygiene items
• beddings such as cots, air mattresses, blankets and pillows for their own use (none will be provided)
• water (rule of thumb: 1 gallon per day per person)
• extra change of clothing
• personal items (medications, eyeglasses, hearing aid, flashlights, toothbrushes, battery–operated radio, special diet foods, if appropriate)
• baby supplies: ample amounts of baby food, formula, juice, diapers and wipes, and a stroller, portable crib or play pen
• driver's license, other identification
• cash, traveler's checks
• important documents

WHAT NOT TO BRING TO THE SHELTER:
• Pets
• Firearms or explosive devices
• Intoxicating or alcoholic beverages
• Illegal drugs

BEFORE YOU LEAVE YOUR HOME:
• Board your windows.
• Have a good meal.
• Turn off electricity at the fuse box (to prevent possible fire).
• Turn off water at the outside line.
• Turn off gas for gas water heaters (to prevent possible fire

Cut yourself up cleaning? Chambers and Orange counties offer free tetanus shots

September, 22, 2008

Tetanus Shots

Health departments in Chambers and Orange counties are giving away Tetanus shots.

Sharon Burges, 62, the nurse for the Chambers County Health Department in Winnie, said the county is trying to give shots as they catch people coming back into the area.

Burges said the shots are necessary after any disaster occurs, as some people cut themselves in the clean up process.

"If you step on a rusty nail or whatever," Burges said, "you're creating an open barrier for that germ or bacteria. This is one of the preventative things we can do."

Burges said the health department had given out 206 shots as of Monday morning and have another supply of 250 coming in.

Free Tetanus Shot Locations

Tuesday –

Winnie: 12:30 p.m. to 3 p.m. at the Red Cross location in the community center
11 a.m. to 3 p.m. at the health department

Smithpoint: 12:30 p.m. to 1:30 p.m. at the fire station
Anahuac: 4 p.m. to 6 p.m. at the Red Cross location in the American Legion Hall

Wednesday –

Oak Island: Noon to 1:30 p.m. at the community center
Winnie: 11 a.m. to 1 p.m. at the Red Cross location in the community center
Anahuac: 11 a.m. to 3 p.m. at the health department

Thursday –

Mont Belvieu: 11 a.m. to 3 p.m. at the health department

The role of the Dallas County VOAD is to coordinate planning and preparedness efforts in advance of a disaster. The Dallas County VOAD is not designed for operational management, and is not itself a service delivery organization. Instead, its members operate independently to provide disaster relief and recovery services, and do so cooperatively through the Dallas County VOAD. The Dallas County VOAD is committed to the idea that the best time to prepare, train, and become acquainted with one another is prior to the actual disaster response.

The Texas Gulf Coast Regional (TGCR) VOAD is a consortium of recognized voluntary organizations active in disaster relief. Its mission is to foster more effective service to people affected by disasters. VOADs support and facilitate the delivery of disaster services by their members. They do not themselves deliver response and recovery services. Member organizations support the efforts of federal, state, and local agencies and governments.

TGCR VOAD bases its mission on these four values:

Cooperation. By this we mean that we need each other, that no member organization has all the answers for the challenges we face. We treat members as partners.

Communication. Here we mean the regular sharing of information about our member organizations—their capacities, accomplishments, and commitments. We try to maintain good channels for sharing information, listen carefully to each other, and deal openly with concerns.

Coordination. We commit ourselves to work together and not competitively toward our goal of effective service to disaster victims. We seek to match services to need. Through planning and preparation, we equip our organizations to behave in a coordinated fashion in time of disaster.

Collaboration. We dedicate ourselves to work together to achieve specific goals and to undertake specific projects at disaster sites. We form partnerships during the disaster response.

Organizations wishing to coordinate their efforts with TGCR VOAD members are encouraged to register on the web site and add their organization to the list of VOAD members.

2010 Chile Earthquake
http://www.salvationarmynw.org/news/articles.asp?StoryID=850

Immediate Salvation Army response to devastating earthquake in Chile

Following a devastating 8.8 magnitude earthquake in Chile during the early hours of Saturday morning, Salvation Army emergency Services were immediately mobilized to provide support and comfort. International financial assistance is already on the way. The Salvation Army has had a presence in Chile since 1909 and today offers social services including hospitals, schools for impoverished children and adult rehabilitation.

The immediate response is to provide food, water, first aid kits, emergency packets, blankets, candles and other urgently required supplies. A recently arrived mobile canteen (a donation From The Salvation Army in the United States) is one of the key relief vehicles.

Donors can visit www.salvationarmyusa.org to make a donation to support ongoing relief efforts in Chile. Also, they can text the word "chile" to 52000 to make a one–time $10 donation billed to their cell phone account.

The Salvation Army personnel on the ground has placed tents to house 60 displaced families on the grounds of a Salvation Army center near Concepcion. Salvation Army officers are traveling from Puerto Montt and Osorno, in Southern Chile, to Concepcion to join The Salvation Army emergency relief response team.

The earthquake epicenter was approximately 90 miles North west of the city of Concepción in Southern Chile. This is approximately 350 miles from the capital of Santiago. Nevertheless, according to officials on the ground, the quake was of a 7.0 magnitude in the Santiago metropolitan region.
People have flocked to the streets as numerous aftershocks continue to pummel the country, severely affecting older buildings in the more historical areas of the larger cities.

The Salvationists I met have no unusual skills or training that distinguish them from many others. They do have, though, a commitment to dash in, and remain in, places where the natural instinct would be to flee. They soldier on. ––Kathryn Jean Lopez, Organization Trends February 2002

The Salvation Army's Disaster Services program began 100 years ago in response to a hurricane that devastated Galveston, Texas and has grown into a nation–wide network involving thousands of volunteers and trained personnel. In following with our holistic ministry, we provide services that meet the immediate as well as long term physical, emotional and spiritual needs of disaster victims.

These services include: food, shelter, grief counseling and financial assistance. Our disaster response teams are often the first to appear on the scene of a tragedy and the last to leave, making certain that the needs of all have been met.

Because recovery from flooding and other disasters often takes months, if not years, WV VOAD, created regional Long–Term Recovery Committees (LTRCs) to help with disaster–related needs not completely covered by insurance or by federal and state disaster assistance programs. In the event of flooding, applications will be accepted for persons who sustained damage to their homes. All approved applicants will be visited by a long–term recovery case manager or a volunteer case worker who will work with them to assess damage, formulate a recovery plan, and procure cost estimates. Regional long–term recovery committees, broadly representative of the flooded communities, will review and make decisions on expenditures and use of volunteer resources on a case–by–case basis.

To apply for assistance and/or to receive additional information, call toll–free 1–877–330–9105. Survivors should always apply to FEMA first. Monetary donations to immediate disaster relief should be made directly to disaster agencies. However, contributions to help with long–term recovery should be sent payable to the West Virginia Council of Churches, (WV VOAD's fiscal agent). Please designate checks "for disaster recovery" and mail to:

Disaster Response

The West Virginia Council of Churches has a long history of assisting in response to disasters and various human and community crises. The Council addresses the spiritual and material needs of those in crisis, such as citizens of West Virginia currently recovering from devastating floods.

The Council was the initial convening agency and continues as an active member and fiscal agent of "Voluntary Organizations Active in Disaster" (VOAD).

About Katrina Aid Today

Katrina Aid Today is a consortium of 10 social service and voluntary organizations, led by UMCOR dedicated to helping survivors navigate the system to recover from this tragic disruption of their lives.

Our specially trained managers will help about 100,000 families identify sources of support, develop personal recovery plans, acquire access to services and take appropriate actions to rebuild their lives.

The consortium organizations have nationwide reach, or access to special groups such as persons with languages other than English, and in–depth experience in the type of assistance being offered by Katrina Aid Today.

Katrina Aid Today is sponsored by the Federal Emergency Management Agency (FEMA) of the United States Department of Homeland Security using donations from the international community.

Katrina Aid Today is administered by the United Methodist Committee on Relief (UMCOR), the humanitarian development agency of the United Methodist Church, which has provided practical support to disaster survivors throughout the world for the past 65 years. We assist people of all religions.

This program is good through 3/08 in the following states after 10/07:

Alabama, Arkansas, Colorado, Georgia, Illinois, Indiana, Kansas, Louisiana, Minnesota, Missouri, Mississippi, New York, Oklahoma, Texas and Washington.

You can still contact a local org/agency even if they are no longer a participating state and they will provide resources and referrals for you.
